

Congress Starts Move For Pruned Postal Pay Raise

WASHINGTON (AP)—Senate action in upholding President Eisenhower's veto of a postal pay raise averaging more than 8½ per cent was followed today by moves to vote a slightly smaller boost.

Ignoring the advice of Sen. Neely (D-WVa) they were following Eisenhower "into a political graveyard," senators Tuesday upheld the President's veto of a bill which would have given 500,000 postal workers a pay increase averaging 8.6 per cent and fringe benefits bringing the total to 8.8 per cent. The President called this too high.

The 54-39 Senate vote—8 votes short of the two-thirds margin needed to override a veto—gave the President a major political victory in the first congressional challenge of his veto power. Voting to override were 46 Democrats and 8 Republicans; voting to sustain were 37 Republicans and

2 Democrats.

Leading an unsuccessful fight to override the veto, Sen. Olin D. Johnston (D-SC) called Eisenhower "that poor, misguided and confused man in the White House." He urged the Senate to resist "complete domination" by the Republican administration.

After the Senate sustained the veto and thereby killed the bill, identical bills were introduced in both Senate and House for a pay raise which Sen. Carlson (R-Kan) said he knew would be acceptable to the President. Companion bills were offered by Carlson, Rep. Rees (R-Kan) and Rep. Murray (D-Tenn) calling for an average increase of around 7.9 per cent and a minimum raise of 6 per cent. Sen. Johnston, chairman of the Post Office Committee, offered another which he said would average 8 per cent.

TAX CUTS FORECAST — Rep. Noah Mason of the House Ways and Means Committee has promised taxes will be cut "at least \$5,000,000" next year. The Illinois Republican made the forecast in a weekly newsletter to his constituents, predicting a 10 per cent reduction in individual income taxes, beside corporate income and excise taxes.

Strike Threatened On Straits Ferries

Vaccine Whips Polio In Canada And In Denmark

By THE ASSOCIATED PRESS
Canada and Denmark today reported they have vaccinated about 1,150,000 children against polio with Salk-type vaccine. Officials said not a single case of the disease attributable to the serum has turned up.

Canada has inoculated about 750,000 children so far. One post-inoculation case of polio has been reported, but "it was found to have been infected with the virus before getting its first injection," a Federal Health Department spokesman in Ottawa said.

France Develops Serum
In Denmark 400,000 children have been inoculated. Authorities in Copenhagen said no polio has been reported in the country since the program began five weeks ago. Canada and Denmark are the only countries outside the United States carrying on programs of mass inoculations.

In some, polio is not a major medical problem. These include Italy, France, Belgium and the Netherlands, although France's Pasteur Institute is developing a vaccine similar to Dr. Jonas Salk's and plans to test it on a sizable scale in about two months. Shortage of the vaccine has delayed some programs. Norway for

Garbage Can Put In Front Window

DETROIT (AP)—Edward A. O'Brien objected at first when Detroit's Department of Public Works Commission notified him that as a homeowner he'd have to comply with city regulations and buy a garbage can.

O'Brien explained that he's a bachelor and lives alone. He eats all his meals out. He never uses a garbage can. But the commission held firm, so O'Brien bought a garbage can and stood it in the front window for city officials to see.

"I like everyone to be happy," he said.

Shot Kills Husband As Wife Listens In

WEYMOUTH, Mass. (AP)—Joseph Guidi, 42, an electrical engineer, telephoned his wife in Bangor, Maine, Tuesday and advised her: "Listen very carefully."

Mrs. Anna Guidi, 38, said that those words were followed by a shot, and then silence. She telephoned Weymouth police, who went to the Guidi home and found the husband dead of a bullet wound in the head.

Mrs. Guidi and her four children were visiting friends near Bangor.

Turtle Bites Driver

ST. JOSEPH (AP)—A turtle bit his ankle, said Daniel Stamm, and that's why he ran into a main street safety island with his car. Stamm said the turtle of the snapping species, got into his car somehow and latched onto his ankle just as he was turning a corner. He lost control and wound up with a dented fender and a ticket for reckless driving.

Little Blonde, 44, Lands 14th Husband

LOS ANGELES (AP)—Mrs. Beverly Nina O'Malley, 44, a diminutive blonde who has been marrying since she was 16, is now planning her 14th wedding.

Tuesday she obtained the signature of a judge on her final decree of divorce from husband No. 13, Raymond Joseph O'Malley. She said she plans to obtain a marriage license today to wed No. 14, Gabriel L. Avery, also 44, a parking lot superintendent.

Mrs. O'Malley obtained her interlocutory decree of divorce from O'Malley on May 20, 1954. However, through a clerical error, it was not entered in the records until June 4, 1954. In California it takes a year to get a final decree but Tuesday Judge Elmer Doyle corrected the error, clearing the way for her immediate marriage to Avery.

The judge commented: "On the basis of the past record, one can't have too much confidence in her, latest venture. But I wish her luck and hope she will never be back in Domestic Relations Court again. Who knows? Maybe this one will stick."

Mrs. O'Malley said: "I always hope."

The Shivers family began its bout with the disease three weeks ago when Marialice Sue (Cissy) Shivers, 8, contracted it.

Neither the governor nor the three Shivers sons have had the mumps, a mansion spokesman said, but the governor was confined Tuesday with what doctors said was a "light case of influenza."

Shivers was expected back in his office today.

Texas Governor's Wife Has Mumps

AUSTIN, Tex. (AP)—Mrs. Allan Shivers, wife of Texas' governor, is confined to the governor's mansion with the mumps.

The Shivers family began its bout with the disease three weeks ago when Marialice Sue (Cissy) Shivers, 8, contracted it.

Neither the governor nor the three Shivers sons have had the mumps, a mansion spokesman said, but the governor was confined Tuesday with what doctors said was a "light case of influenza."

Shivers was expected back in his office today.

Lansing Lawmakers Pass FEPC Bills

LANSING (AP)—Both houses of the Legislature have passed fair employment practices (FEPC) legislation for the first time in history. The Senate joined the House Tuesday in approving one of the most controversial measures in state history.

The House must still agree to amendments made by the Senate, but several House supporters said they thought that would be a mere formality and that the bill might be sent to the governor today.

Praised By Williams
Gov. Williams, the first chief executive in Michigan history to advocate a law against job discrimination, hailed the Senate passage as "an historic step forward in the direction of more effective democracy."

Williams had fought for more than six years for the bill to forbid hiring and union membership discrimination "because of race, creed, color, religion, national origin or ancestry."

Fourteen other states have such legislation, following the lead of New York state under former Gov. Thomas E. Dewey.

In Michigan the FEPC bill has torn the Legislature for six years, and been political issue in three governorship campaigns. Always

before it has been defeated by Republicans in at least one legislative chamber.

Enforcement Set Up
But this time 10 Republicans and 10 Democrats united in the Senate to beat down crippling amendments and pass the bill. Thirteen Republicans voted against it despite heavy pressure from the Republican party leadership. It was introduced by a Republican, Rep. Louis C. Cramton of Lapeer.

The bill creates a six-member, bipartisan committee appointed by the governor for three year terms to enforce the employment rights of all persons.

It would forbid employers to deny a job or impose less favorable working conditions on a person because of race, creed or color. It would forbid agencies to make racial or similar reasons.

It would forbid employers to keep records of an employee's race or color, to impose job application forms which designate such matters or to publish preferences for workers of one group over another.

The commission would have authority to receive discrimination complaints, to investigate, to hold hearings and to either dismiss the complaint or issue "cease and desist" orders against offenders.

Pentagon Chiefs Say U.S. Still Rules Air

WASHINGTON (AP)—Top civilian chiefs at the Pentagon say the United States still holds air superiority over Russia, but Sen. Jackson (D-Wash) contends the Soviets are making "alarming progress." The newest chapter of what has evolved into a "great debate" over the status of Russian and American air strength unfolded Tuesday when:

Secretary of Defense Wilson told a news conference, "It is our aim to maintain a military capability superior to that of any potential enemy; we can and are doing this."

Russia Underestimated

Asst. Secretary of the Air Force Roger Lewis, at the same session with newsmen, said, "We have superiority in terms of planes that can do the job; we have qualitative as well as quantitative superiority" in such aircraft. Lewis said the Russians have displayed "more bombers than we thought possible a year ago" but said they were "not large numbers—40 or 50."

Sen. Jackson, chairman of a Senate-Atomic Energy subcommittee on military applications, presided at a closed session with Secretary of the Air Force Harold Talbot and Gen. Nathan F. Twining, Air Force chief of staff.

Emerging, Jackson said he believes this country leads Russia now in air power; but "we have consistently underestimated the ability of the Soviet Union to produce all types of armament including the atomic bomb, the hydrogen bomb and the intercontinental bomber," and that "unless we make a great effort for all-out production of jets of all kinds, both quantitatively and qualitatively our country can be in grave peril."

Must Spur Production

Jackson told newsmen the United States could fall behind in the air power race unless it starts "crash (rush) programs in some items." To surpass Russia, he said

the segregation bill sponsored by Rep. Gregory Oakley would change the state Constitution to read that the state "may provide" separate schools for the white and Negro races. The Constitution now says separate schools must be provided.

Oakley's bill also provides that "no white or colored child shall be compelled to attend a school where the races are comingled."

Salary Demands Of Workers Set Friday Deadline

LANSING (AP)—Employees of the state ferries at the Straits of Mackinac could stage a walkout over the busy Memorial Day weekend.

The ferry workers have submitted wage demands to the State Civil Service Commission. A Friday deadline has been asked for an answer with the implied threat of a strike if they do not receive satisfaction.

Charles M. Ziegler, state highway commissioner, said he had received a copy of the pay boost request directed to the Civil Service Commission but had no official strike notice.

"I'm skeptical about it," Ziegler said. "I doubt very much if there actually will be a strike."

If the strike does materialize, Ziegler said he probably would have to recruit additional manpower to handle the ferries over the weekend. He said he made no plans in that direction yet.

The ferry employees have asked the commission for either a 30-cent-an-hour pay raise or time-and-one-half for Saturdays and double-time for Sundays. The request is retroactive to March 1.

The State Civil Service Commission will consider the request at its regular meeting today.

Kalamazoo Girl Not Found Yet

KALAMAZOO, Mich. (AP)—Long hours of searching by nearly a thousand persons left police still without a clue today to the whereabouts of 8-year-old Jeannie Singleton.

Darness Tuesday night interrupted the hunt for the pert, brown-eyed second-grader, but police said they would continue to comb city streets and neighboring woodlands and swamps.

Little Jeannie, her right leg crippled by rheumatic fever, vanished Monday afternoon on her way home from school. Police fear she may have been abducted by a sex deviate.

Police Capt. Riley Stewart said, "I think the chances that she is dead are greater than those that she is alive."

Jeannie's father Steve is a truck driver with five other children.

Business Receipts Tax Passed, 21-10

LANSING (AP)—A revised business receipts tax was passed by a 21-10 vote in the Senate today.

The passage was seen as a prelude to a House-Senate scrap over how Michigan shall meet an expected 27 million dollar deficit next year.

Highway Expansion Up For Test Today

WASHINGTON (AP)—The Senate begins voting today on the hotly disputed highway bill with Democrats confident they can defeat Republican efforts to substitute President Eisenhower's plan.

Sponsors of the Democratic bill predicted it would win final passage by late today or tonight.

Republican leaders were ready to offer the President's road-building proposal in place of the Democratic bill sponsored by Sen. Gore (D-Tenn). But they conceded privately this move had little chance of success. Rather, they were pinning hopes on a plan to send the Gore bill back to the Public Works Committee and thus shelve it for the time being.

Under either the Gore bill or the Eisenhower proposal the government would embark on one of the biggest nondefense spending programs in U.S. history.

The Gore bill calls for about 18 billion dollars of federal-state spending on the four federal aid highway systems over a five-year period. The federal share, more than two thirds of the total, would be financed by direct appropriations.

The Eisenhower plan calls for 38 billion of federal-state outlays on the four systems in 10 years. The great bulk of this would be on the 40,000-mile interstate sys-

tem of superhighways to link up all parts of the nation. And 21 billion of the total would be raised by bonds issued by a separate federal corporation outside the legal debt limit.

The other three systems in the federal-aid program embrace primary, secondary and urban highways.

The girls were believed to be from Loretto Heights College, an all-girl school here, one officer said.

The Rev. Mr. Malecek said he and other faculty members asked the girls to leave the campus. When they refused, he called police.

The girls fled when the first police cruisers arrived.

Ford Prepares Package Offer On Union Wages

DETROIT (AP)—Negotiations between Ford Motor Co. and the CIO United Auto Workers were adjourned today while Ford reportedly made ready a "package offer" to the union.

Ford is expected to make its comprehensive counterproposal tomorrow to the union's demand for a guaranteed annual wage for the company's 140,000 production workers.

UAW negotiators, headed by President Walter Reuther, agreed at noon Tuesday to a 1½-day recess, presumably to give Ford representatives time to put their new offer into writing.

Both the company and the union declined to discuss the latest developments.

With the expiration date of the auto workers' five-year contract with Ford only a week away, the tempo of negotiations gradually is gaining momentum.

The union announced Tuesday night that 96.6 per cent of the workers in 43 locals have voted in favor of a strike, if necessary to gain contract demands. Seven locals still are unreported.

Valley Flooded By Broken Dam

DAHLONEGA, Ga. (AP)—Officials planned to resume their investigation today in efforts to learn what caused a dam to break and pour a devastating flood on a mountain valley.

The break came without warning Tuesday. Witnesses said a wall of water estimated at 25 feet high roared through the little valley astride U.S. Highway 19 at the foot of the Blue Ridge Mountains near Neel's Gap in north Georgia.

No casualties were reported but two houses and two automobiles were demolished and eight buildings were damaged. At one farm, 4,900 baby chicks drowned.

Several residents had narrow escapes. They raced for a hilltop and reached it safely just as the torrent surged past.

Sheriff J. R. Gibson, of Lumpkin County, who headed the investigation, said the earthen private dam "simply broke." He said water pressure could have caused the 50-foot-wide break.

The dam, built 18 months ago for irrigation and recreational purposes, was owned by J. J. Ravan, who operates a store and tourist court. Four units of the tourist court were damaged.

Alabama To Get Segregation Bill

MONTGOMERY, Ala. (AP)—Bills designed to preserve segregated schools in Alabama and provide a 3 per cent tax on all types of advertising were introduced Tuesday in the Alabama House.

The proposal by Rep. James Dement would levy a tax on advertising in newspaper, magazines, periodicals, signs, billboards, and on radio and television stations.

The tax would be based on gross receipts from such advertising and proceeds would be earmarked for the state's elementary schools. A delinquent taxpayer would not be allowed to continue in business while in default and would also be liable to a 20 per cent penalty.

The segregation bill sponsored by Rep. Gregory Oakley would change the state Constitution to read that the state "may provide" separate schools for the white and Negro races. The Constitution now says separate schools must be provided.

Oakley's bill also provides that "no white or colored child shall be compelled to attend a school where the races are comingled."

Girls Dispersed On Panty Raid

DENVER (AP)—Eight police cars averted what officers said appeared to be a panty raid in reverse on the Regis College campus Tuesday night.

The Rev. Francis Malecek, dean of men at the all-male Denver school, said a horde of girls swarmed on the campus, singing, yelling and screaming around the dormitories and classrooms.

The girls were believed to be from Loretto Heights College, an all-girl school here, one officer said.

The Rev. Mr. Malecek said he and other faculty members asked the girls to leave the campus. When they refused, he called police.

The girls fled when the first police cruisers arrived.

Michigan Road Program Nears Final Approval

LANSING (AP)—Supporters of a \$35,000,000 a year highway improvement program were confident today their bill would pass the House without amendment. It already has passed the Senate.

Rep. Thomas M. Burns (R-Saginaw), who led the movement which snatched the bill from death in the House Roads and Bridges Committee, said the measure "definitely" has enough votes to pass the House in its present form.

More Gasoline Tax
The bill, which provides for a

one-and-one-half cent per gallon gas tax increase, slid unscathed through a two-hour gauntlet of words Tuesday.

Sticking together in tight discipline, its supporters fought off a barrage of amendments which they said would ruin the plan.

Most of the debate hinged on two maps which gave a picture for the improvements contemplated in the bill. One of the maps showed the trunkline highways slated for development.

The other sketched interstate highways which would benefit.

"This program will give Michigan a real start toward construction of an arterial highway system," said Rep. George W. Sallade

(R-Ann Arbor), spokesman for Republican "Young Turks" who backed the Senate-approved bill.

Opposed In Rural Areas
Opponents of the measure, mostly rural Republicans, said the interstate highways slated for improvement should be spelled out in the bill.

As it left the Senate, the bill provided that three quarters of the gas tax increase would go to the state for construction of arterial highways, the balance to be split between cities and counties.

It was this distribution formula which had generated the most disagreement during the four months which the Legislature has bickered over a road bill.

Serum Declared Safe By Scheele

WASHINGTON (AP)—U.S. Surgeon General Leonard A. Scheele vouches for the safety of Salk anti-polio vaccine already used in mass inoculation of schoolchildren—with the exception of two suspected lots made by Cutter Laboratories.

Scheele said Tuesday night he has "every confidence" in all supplies cleared after a Public Health Service doublecheck of manufacturers' safety precautions. He said a further announcement concerning vaccine still awaiting clearance "can be expected soon."

This may indicate when the inoculation program can get back in to full swing.

In an earlier statement, Scheele mentioned 56 cases of paralytic polio as having occurred among children injected with Cutter vaccine. He said there was "strong presumptive evidence that there was a cause and effect relationship between the cases of paralytic poliomyelitis and the two lots of Cutter vaccine out of the nine released."

However, he said tests of the Cutter vaccine "continue in progress." And in Berkeley, Calif., the Cutter Laboratories put out a statement saying, "It is our understanding that this is an interim statement and not a final report."

The final determination of it is yet to be made by the U.S. Public Health Service.

Big Four Meeting May Be July 18

PARIS (AP)—French Foreign Minister Antoine Pinay today said that President Eisenhower had accepted the dates of July 18-21 for the proposed meeting of Big Four chiefs of state.

(The White House said the July 18-21 date is "one of the possibilities considered" but no final decision has been made.

(James C. Hagerty, presidential press secretary, pointed out that Russia still has not formally accepted the bid of the United States, Great Britain and France to an "at the summit" meeting.

The press secretary dictated this statement:

"The three inviting powers, the United States, Britain and France

have not reached any final decision between themselves with respect to any decision in time and place of the meeting.

The place for the meeting will be decided by the foreign ministers of the United States, Russia, Britain and France when they meet in San Francisco for the anniversary celebration of the United Nations, Pinay told a news conference.

Vaccinated Boy May Have Polio

LANSING (AP)—A 7-year-old Lansing youth who has received two shots of Salk polio vaccine, is in a Lansing hospital today with what his physician says appears to be some form of polio.

If the case is polio, Jeffrey Farnsworth will be the first Michigan youngster inoculated with Salk vaccine this year to get the disease. He became ill Saturday, nine days after receiving his second shot.

His physician, Dr. S. P. Fortino, said the case has not sufficiently developed as yet to determine whether the boy really has polio and whether it is paralytic or non-paralytic.

The doctor stressed it is not possible to determine whether the vaccine brought on the disease or whether the boy had the virus in his blood after the first shot of vaccine. Furthermore, he said it is not known whether the second shot activated the virus or whether the first shot offered immunity.

The boy received Parke, Davis & Co. vaccine.

Nabbed With Cash

COLUMBUS, Ohio (AP)—Police answering a burglar alarm Tuesday with guns drawn, nabbed a man with a sack of money as he was leaving the Upper Arlington branch of the Ohio National Bank. Then someone told them the alarm was tripped by accident.

The man, Leo Campbell, was taking the money to the state liquor store nearby, where he works.

Bids Taken On U. P. Road Jobs

The State Highway Department opened bids in Escanaba yesterday covering the proposed improvement of nearly 30 miles of Upper Peninsula roads, for which the low bids totaled \$183,623.50.

The bids were referred to the Lansing office of the State Highway Department for the determination of low bidders and the awarding of contracts. The projects and low bidders as follows:

Alger and Chippewa Counties—4,472 miles of prime and double seal surfacing on M-94 and connecting road from relocated M-94 to existing route southwest of Munising in Alger County; also 2,486 miles of prime and double seal on M-221 from M-28 north of Brimley in Chippewa County. I. L. Whitehead Company, Sault Ste. Marie, low bidder at \$32,097.72.

Schoolcraft County — 6,397 miles of 21 foot aggregate surface course on county road from Cooks north and east to M-149 in Inwood Township; also 4,025 miles of 21 foot aggregate surface on old US-2 from west city limits of Manistiquette to west city limits of Thompson Township. Hocking Construction Company, Donken, Mich., low bidder at \$106,440.14.

Gogebic and Ontonagon Counties—4,875 miles of prime and double seal surfacing on US-45 from Watersmeet to the Gogebic-Ontonagon county line; also 6,847 miles of prime and double seal on M-64 from Silver City south in Ontonagon County; and 4,457 miles of prime and double seal. Fox Valley Construction Company, Appleton, low bidder at \$45,085.64.

Awards Given At Rapid River

RAPID RIVER — Janet Shananaquet, daughter of Mr. and Mrs. Robert Shananaquet, Ensign, senior student at Rapid River High School, was awarded the Robert W. Miller memorial scholarship at the Rapid River High School class night program last night.

Miss Shananaquet was presented the award by Judge W. J. Miller. She also received the D. A. R. award for good citizenship. The memorial scholarship was established by Judge and Mrs. Miller in honor of their son, Robert, who was killed in action in World War II.

The Rapid River Lions Club trophy for the outstanding senior student was awarded to Robert Olson Jr., son of Mr. and Mrs. Robert Olson, Rapid River. The presentation was made by Joseph Casimir, Lions Club president.

Clara Larsen, valedictorian, was awarded a year's subscription to Reader's Digest. Rita Ross is the class salutatorian.

Shirley Schroeder, daughter of Mr. and Mrs. Martin Schroeder, Rapid River, was awarded the Board of Education trophy for the best all around girl.

Raymond Johnson, son of Mr. and Mrs. Henning Johnson, Ensign, won the Board of Education trophy for the best all around boy.

Larry Paul, a junior, son of Mr. and Mrs. Al Paul, Rapid River, received the activities key for the junior student participating in the most school activities.

Commencement for the 26 Rapid River High School students will be held Friday evening at 8. Clifford Roberts, visual aid teacher at Alpena High School, will be the commencement speaker.

Mr. Roberts formerly taught in Rapid River and also taught in the Escanaba High School before transferring to Alpena. He taught the present senior students when they were in the eighth grade.

The school award assembly will be held Friday afternoon at 3. The graduates of the 1955 class are Bonnie Boots, Loretta Brown, Marhelen Cassidy, Robert Hamilton, Joan Holmlund, Jay Huff, James Johnson, Raymond Johnson, Lucinda Johnson, Norma Lamberg, Rita Lancour, Clara Larsen, Eileen Lockhart, William Lundin, Lowell Mosier, Esther Olson, Robert Olson, James Peterson, Phyllis Quick, Rita Ross, Shirley Schroeder, Janet Shananaquet, Ivan Stenack, Louis Whipple, Alice Whybrew and Peter Wolf.

Mr. and Mrs. Martin Schroeder, Rapid River, was awarded the Board of Education trophy for the best all around girl.

Raymond Johnson, son of Mr. and Mrs. Henning Johnson, Ensign, won the Board of Education trophy for the best all around boy.

Larry Paul, a junior, son of Mr. and Mrs. Al Paul, Rapid River, received the activities key for the junior student participating in the most school activities.

Commencement for the 26 Rapid River High School students will be held Friday evening at 8. Clifford Roberts, visual aid teacher at Alpena High School, will be the commencement speaker.

Mr. Roberts formerly taught in Rapid River and also taught in the Escanaba High School before transferring to Alpena. He taught the present senior students when they were in the eighth grade.

Regional Railway Group To Meet Here Thursday

Problems of railway management and operation will be principal subjects of discussion at the spring meeting of the western region, American Short Line Railroad Association, to be held in Escanaba on Thursday.

Claude O. Ebling, Minneapolis, general agricultural agent for the Soo Line Railroad, will speak at the banquet meeting of the Association Thursday night. All sessions will be held at the House of Ludington.

Representatives of the 42 member railroad lines in the western region of the Association will gather tonight and early tomorrow for the first session, starting at 9:30 a. m. in the Marine Room. A shipper-carrier forum at 2 p. m., and the 6:30 banquet are highlights of the program.

Local arrangements for the meeting were made by V. M. Bushman, Green Bay, Association vice president; and officers of the Escanaba & Lake Superior Railroad Co., Emil Christensen, general manager; Guy Knutson, general freight agent and a director of the Association; and Arthur Moberg, auditor.

The agenda for the morning session includes a variety of topics related to railway management and operation—centralized repairs for diesel power, labor relations, traffic matters, safety and service, weed eradication, communications, highway crossings and other topics. Narrators participating in the discussions will include:

C. E. Huntley, Washington, D. C., secretary-treasurer of the American Short Line Railroad

Holy Name Annual Senior Day Today

The traditional senior day at Holy Name High School is being spent today at Wells State Park in an all class picnic, which was decided upon during a meeting of the senior class.

Chairman of the event are senior class presidents of the girls and boys departments, Barbara Ottensman and James Weber.

Class moderators, who accompanied the students to Wells Park, were Sister Mary Ewald and Brother Joel.

received the activities key for the junior student participating in the most school activities.

Commencement for the 26 Rapid River High School students will be held Friday evening at 8. Clifford Roberts, visual aid teacher at Alpena High School, will be the commencement speaker.

Mr. Roberts formerly taught in Rapid River and also taught in the Escanaba High School before transferring to Alpena. He taught the present senior students when they were in the eighth grade.

School Teacher Author Of Book

Older residents of Escanaba and other county communities may remember Clark Bigler, the country schoolteacher—who is now the author of a recent book, "Country Schoolmaster," in which he describes some of his experiences in the schools of Delta County.

Bigler, who first taught in this area about 1910 and later returned again in the early 1930's, now lives at Palisades, Calif. He is 81 years old.

A copy of Bigler's book, published by Dorrance & Company, has been received by Bigler's sister, Mrs. Coral Cromwell, who resides with her daughter and son-in-law, Mr. and Mrs. Rene Labre, 801 Lake Shore Drive.

Local names appear in the book, as when Bigler describes his pleasure after the summer in going "north again to teach normal beautiful children, often sixteen or eighteen in one family, in the lumber towns of Perkins, Garden, Escanaba." He describes "the quaint old village of Garden" which "lies on the shore of Big Bay de Noc in the upper end of Lake Michigan. The school had two rooms, two schoolmasters and about one hundred and fifty pupils—twelve of them belonging to the blacksmith, Thibault."

From Garden, Bigler went to Nahma to teach, and he praises the neat "company town" with its big lumber mill and excellent school facilities provided by the lumber company.

Dorrance & Company, Inc., 131 N. 20th St., Philadelphia 3, Pa., describes the book as follows:

"Country Schoolmaster is a book every teacher should read for it will make him or her a better teacher. It is a story that every parent should read because it will draw every child closer to the parent heart and unite teacher, child and parent with a close bond of understanding."

Serum Turns Up

NEW HAVEN, Conn. (AP)—The mystery of 140 vials of Salk polio vaccine missing from the local health department has been cleared up. It was found 130 had gone to Meriden and the other 10 were accounted for here. Meriden, one of 29 communities receiving vaccine through New Haven, was given 345 vials instead of its allotted 215.

Plans For New Blood Program Outlined Here

Plans for establishing a new whole blood program in Delta County that will meet all of the blood requirements of patients in St. Francis Hospital were outlined last night at a meeting at the Delta County Red Cross headquarters.

Effective July 1, Delta County will join the Badger Regional Red Cross blood bank, located at Madison, Wis. Dr. Merle Hamel, director of the center, and Leonard J. Peterson, administrative director, attended the meeting here last night and outlined the program. William E. Anderson, chapter president, presided.

Under this program the Badger Blood Bank will maintain at the local hospital a constant supply of whole blood of various types according to local needs. This program will eliminate the program now in effect at the hospital under which patients are required to pay for the blood they use or to get donors to replace two pints for each pint drawn from the blood bank.

Quarterly Collections

The Red Cross blood will be provided without charge. The hospital will make a charge, of course, for the use of its facilities. This charge is \$10 for the first pint and \$8 for each additional pint. This fee includes the cost of bottles, needles, tubing, transportation, laboratory tests, etc.

Blood collections will be made in the county four times a year. A quota of approximately 1,000 pints for local collection has been set for Delta County for the coming year. Mobile blood collection units will be set up here for two days every three months.

Last year approximately 3,000 pints of whole blood were used at St. Francis Hospital. All of this need will be met in the future from the Badger Blood Bank.

First Clinic June 14-15

Tom Wilkinson has been appointed blood chairman for the Delta County Chapter, Mrs. C. L. Riegel has been appointed blood recruitment chairman.

The first blood collection clinic will be June 14 and 15.

Peterson explained that the Badger Blood Bank has a capacity of more than 60,000 pints annually but only about 75% of this capacity is being utilized at the present time. The Madison headquarters maintains two mobile collection units.

The program will provide free blood for Delta County residents who may be hospitalized outside of Delta County as well as all of the blood requirements of patients in Delta County, regardless of their residence.

If and when a hospital is constructed in Gladstone, free blood will automatically be provided to patients in that hospital as well as patients at St. Francis Hospital in Escanaba as long as the Delta County Red Cross chapter retains its affiliation with the Badger Blood Bank.

The county's share of the cost of maintaining the blood program is approximately \$3,000 per year and this will be paid by the Delta County Red Cross chapter. Cost of transporting blood, cost of bottles, etc., is charged to the hospital and becomes a part of the hospital's assessments to patients.

Brother Of Teacher At Gladstone Dies

GLADSTONE—Edward P. Enders of Menominee, a brother of Harold Enders, head of the manual training department in the Gladstone High School, died at St. Joseph-Lloyd Hospital in Menominee early today. He had been a patient there since Saturday.

Mr. Enders was a retired office employee of the Menominee Box and Lumber Co. His wife predeceased him in death eight years ago.

Surviving are one son, Edward of Marinette, one daughter, Helen at home, two brothers, Harold of Gladstone and John of Marinette, and one sister, Emma of Baraboo, Wis.

Funeral services will be held Thursday from St. James Lutheran Church. Burial will be made in Forest Home Cemetery.

Schools Revise Insurance Plan

The Escanaba Board of Education last night approved an agreement with the Escanaba Insurance Agents Association for school insurance coverage on school buildings and contents.

The association will serve as the agent for the insurance coverage to be written by the Great Northern Fire Insurance Company. About \$2,000,000 in insurance coverage is provided under an 80% co-insurance policy. The underwriter also will make an annual appraisal without additional expense.

The board accepted the resignation of two teachers, Donald Binkowski, 6th grade teacher at the Lemmer School, and Louise Jodocy, Franklin third grade teacher.

New contracts were approved for John Clay, Oconomowoc, and Fred Meyer, Kinderhook, Ill. Clay, a graduate of Lawrence College, will teach Junior High School mathematics. Meyer, a University of Illinois graduate, will teach Junior High social studies.

The board also approved the

Personals

Mrs. I. H. Wood, 315 S. 5th St., and Mrs. Robert Barron, 906 7th Ave. S., left today for Green Bay to spend the day.

Mrs. Henry Cloutier, 1211 1st Ave. S., today left for Glen Ellyn, Ill., where she will visit at the home of her daughter, Mrs. Helen Galligan.

Mrs. Irene Hebert returned today to Milwaukee after visiting here at the homes of relatives and friends the past two weeks. A 3-c Lester LeGault has left for Keesler A.F.B., Biloxi, Miss., where he is assigned to an electronics school. Airman LeGault, who recently completed his basic training at Parks A. F. B., Calif., spent a 10 day leave at the home of his parents, Mr. and Mrs. Herbert LeGault, 412 S. 10th St.

Legion Announces Memorial Day Rites

Arrangements for the observance of Memorial Day in Escanaba have been completed by the American Legion, and details of the program were announced today by Elmer Swanson, general chairman.

William Butler, a past commander of the local Legion post, will be master of ceremonies for the rites next Monday. Sheriff William E. Miron will be officer of the day, Police Chief John Finn is in charge of official notification to all participating organizations. Herman Mielke is in charge of arrangements for a program at Ludington park, and John Wood will be bugler for the ceremonies.

A firing squad of Legionnaires will form at the Legion hall at 8 a. m. under the direction of C. Elmer Olson, and will conduct memorial rites at three local cemeteries, Holy Cross, Lakeview and Gardens of Rest.

At 10 a. m. a parade will form in the Junior High School block on Ludington street. The parade will proceed down Ludington street to Third street and thence to the city park, where services will be held in an area near the yacht basin. All veteran's organizations will participate. Order of march in the parade will be: colors and color guard, Escanaba Municipal Band, Legion firing squad, American Legion members, Gold Star Mothers in cars, Disabled Veterans, high school band, Spanish American veterans, Veterans of Foreign Wars, National Guard, unions and civic organizations, Girl Scouts and Boy Scouts.

Rites At Cemeteries

A flag raising ceremony directed by Herman Mielke will open the program at the park. The municipal band will play the Star Spangled Banner, and invocation will be by the Rev. Fr. Dunstan Schmidlin.

The program will include: Disabled War Veterans ritual, American Legion ritual by Post Commander Oscar Seguin, Gold Star Mothers ritual by Mrs. William McCarthy, Veterans of Foreign Wars ritual by E. J. Kallio.

Elmer Olson will read the roll call of all men from Delta County who have died in World War II and the Korean War.

Gettysburg Address by Herman Kallman.

American Legion Auxiliary ritual by Mrs. Vagn Gydesen.

Address by Judge William J. Miller.

Veterans of Foreign Wars Auxiliary ritual by Mrs. George Cholger Jr.

Hiawatha Auxiliary No. 2998 will participate in the water service honoring the Navy dead. The escort who will place the wreath on the water will be the president, Mrs. Lucille Cholger Jr. and her committee.

Funds Allocated For Little League Baseball Diamond

The Escanaba Recreation Board last night approved the expenditure of \$800 for development of the Little League baseball diamond and \$200 for repairs on the Royce Park building.

The funds originally were allotted for enlargement of the Royce Park building and were to be supplemented by an additional appropriation for the 1955-56 fiscal year. The additional appropriation was deleted from this new budget, however, and the Council authorized the recreation board to utilize the original \$1,000 for other recreational purposes.

The \$800 for the Little League diamond is in addition to a \$500 appropriation previously allocated for that purpose. The money will be used for relocating the diamond and for construction of a backstop. The installation of storm sewers necessitated the moving and rebuilding of the diamond.

Holy Name Students Honored At Banquet

One hundred and ninety students of Holy Name High School were recognized last evening at an annual Activities Banquet for their participation in one or more extra-curricular activities during the school year.

During the program, Rev. Charles Carmody acted as Master of Ceremonies. The athletic awards were presented by Brother Joel, Coach Tom St. Germain and Coach Ronald Feuerstein.

Short talks were presented by the principal of the boys' division, Brother Athanasius, and superintendent, Rev. O'Neil D'Amour. The talks stressed the importance of extra curricular activities in the life of high school students as well as the value of cultural, social and physical activities.

Chairman of the supper was Mrs. Robert Hughes. The mothers of the students served as hostesses.

The banquet was sponsored by the school's three service organizations, Mothers club, Fathers club and Boosters club.

More people get more news from newspapers than from all other sources combined.

Audubon Campers Outing Arranged

Adult enrollees from all over the nation are rapidly filling this summer's sessions at the new Audubon Camp near Spooner and Rice Lake, Wisconsin, according to reports from the National Audubon Society.

Men and women from 18 states already are signed up for two-week sessions which begin June 26. The bulk of the enrollment will be from Wisconsin, Minnesota and Illinois.

Three new dormitory buildings will house the 50 adult students to be accommodated at each session.

The Audubon Camp of Wisconsin has a staff of experienced naturalists who accompany small groups on field trips, give informal talks, and supervise projects. There are no book assignments nor tests. Above the minimum age of 18, people of all ages and walks of life can and do participate in the sessions. None of the hiking on field trips is strenuous; on longer trips the groups travel by station wagon or bus.

Sessions for this summer start on June 26, July 10, July 24, August 7, and August 21. Cost, which includes accommodations, meals, and tuition, is \$95 per person. The camp is on Devil's Lake, four miles from Saronia, Wisconsin.

For reservations or further details, write to the National Audubon Society, 1130 Fifth Ave., New York 28, New York.

SOO TO BUILD HARBOR
SAULT STE. MARIE — City Manager Ralph Speer has been authorized to negotiate a contract for construction of a small boat harbor for the Sault with the Majestic Marine Company, of Cheboygan, whose bid of \$83,166 was lowest submitted. The state is providing \$30,000 of the estimated \$75,000 cost.

Obituary

HOWARD K. ELDERD

Memorial services for Howard K. Eldred, Escanaba, Michigan Conservation Department area game supervisor, who drowned while fishing in Ontario, were held Tuesday morning from the Bostwick Lake Congregational Church in Rockford, Mich.

The Rev. Mark Inghram officiated at the service and Wallace Clark was soloist.

Burial was in Bostwick Lake Cemetery at Rockford. Pallbearers were Harry Adams, Wayne Eldred and Richard, Robert, Wayne and Willis Young.

The Rev. and Mrs. Karl J. Hammar, Mr. and Mrs. Wilmore Berglund and Mrs. Anna Harrod, Escanaba, and Otto DeWaard, Newberry, Conservation Department supervisor, were among those at the rites, as well as many representatives of the Department from Lansing.

TRYGVE OLSEN

Funeral services for Trygve Olsen, widely known Escanaba business man, who drowned in a fishing accident on a small Ontario lake, were held Tuesday at 2 p. m. at the Anderson Funeral Home with the Rev. Johannes Ringstad of Immanuel Lutheran Church officiating. Both chapels of the funeral home were crowded to capacity for the rites.

Mrs. Cory Hartbarger, soloist, sang "My God and I" and "The Lord's Prayer." Mrs. F. M. Fernstrom was accompanist.

Burial was in Gardens of Rest Cemetery. Pallbearers were Roy Lee, Carlton Walstad, Marvin Roberts, Cliff O'Donnell, Harold

Clergyman's 38 Years Service To Community Inspires Tribute

The first of their 10 children was born to Peter and Ann Lund in Minneapolis 79 years ago and they named the child Carl Albert. On Monday of this week Carl Albert Lund was buried in Lakeview Cemetery in Escanaba after funeral services in Bethany Evangelical Lutheran Church which he had served for so many years as pastor.

He lived a life of such devotion to his high calling as a clergyman that his death, coming even years after his retirement from active ministration to Bethany's congregation here, stirred the community actively and brought forth an expression

which showed the respect and influence with which the Rev. Carl Albert Lund had created by the service of his faith here.

The events of his life progressed toward his ministry resolutely. His family moved to a Minnesota farm when he was five. When he was 14 he was confirmed in the Lutheran Church and at 16 he enrolled in the Academy of Gustavus Adolphus College and received his Bachelor of Arts degree there in 1899. He taught school for one year in Minnesota and then enrolled in Augustana Theological Seminary and received a Bachelor of Divinity degree in 1903 and was ordained as pastor, Augustana. The year of his ordination was also the year of his marriage to Bertha E. Edholm of Stillwater, Minnesota, whom he had met at Gustavus Adolphus College, and until Mrs. Lund's death in 1943 they served together. Five children were born of their union, one dying in infancy and the other four, all alumni of Augustana College, their parents' school, reflecting credit upon the strong Christian influence of their parents' home.

Mr. and Mrs. Lund came to Escanaba and Bethany Lutheran Church in September of 1906 and they served the parish so actively and devotedly that it became a monument to their labors. More than half of the history and growth of the parish was associated with the pastorate of the Rev. Carl Albert Lund. The present church was built in 1912 and the parsonage in 1922. So long was the pastor's service that he baptized, confirmed, married and buried some of his parishioners.

When illness terminated his service and he reluctantly gave up his Bethany pastorate in November, 1944, he had served the parish for 38 years and his ministry had been so honored that he had been called to the wider service of his faith as president of the Superior Conference for 22 years, as vice president of Augustana Synod for 14 years and as a member of the Lutheran Bible Institute Board in Minneapolis. He was a member of the committee which drafted the 1939 congregational constitution of the Synod and in recognition and commendation of his good works as a churchman he was given the honorary degree of Doctor of Divinity by Gustavus Adolphus College in 1928.

During the busy years of his parish ministry he served many congregations in this area in periods in which they were without pastors and after his retirement he returned each year to Bethany Church as pastor emeritus and preached to his congregation. Last year his visit brought him here to take part in the 75th anniversary service of the church.

Death came to Mr. Lund May 19 in Chicago, where he had lived recently in the Augustana Home. Returning the last time in death, Mr. Lund lives again in memory and inspires the community which he served so long as a spiritual counselor to more emulation of a good life.

The Doctor Says . . .

Avoid Laxatives if You Have Suspicion of Appendicitis

By EDWIN P. JORDAN M.D. — Written for NEA Service

Although deaths from appendicitis have been greatly reduced in number they still occur; most of them could have been avoided.

If acute appendicitis is diagnosed early and the appendix is removed by surgery, there is little danger. However, much of the trouble comes because the pain may not be as severe as people expect it to be.

Consequently, they are too likely to ignore the symptoms for several days and by that time the appendix may have ruptured and resulted in peritonitis.

Once in a while the appendix instead of lying near the front of the abdomen on the right side, may be twisted towards the back so that the only symptom is back pain.

The appendix can lie in some other part of the abdomen also and it is not safe, therefore to think that pain which is in the lower right side is the only kind which can mean appendicitis.

The use of cathartics or laxatives in the presence of abdominal pain is dangerous. A laxative causes the wave-like motions of the intestines to increase.

Large waves hasten the rupture of an acutely inflamed appendix. When this happens peritonitis develops, a serious complication indeed.

Laxatives should be avoided like poison if there is the slightest suspicion of appendicitis.

To some extent food and drink also increase the wave-like motions of the intestines.

Sometimes when people have been caught in the wilderness or in some place where they cannot be operated on, the inflammation in the appendix has subsided by forbidding all food and drink and applying cold to the abdomen. This is a useful emergency measure but does not of course get at the root of the trouble.

The symptoms of appendicitis may be typical and easy to diagnose. If the pain is rather acute and located in the right lower part of the abdomen with slight fever, there is a good chance of appendicitis. Of course, this alone is not enough. Vomiting commonly accompanies appendicitis but diarrhea is almost always absent.

The presence of too many white blood cells almost invariably accompanies acute appendicitis. For this reason a blood count is most important if appendicitis is suspected.

One should not take chances with this important disease.

One surgeon has written me about his distress when having to argue with patients as to whether a necessary operation for appendicitis could be avoided of postponed.

In recent years penicillin has often been given before operation and afterwards, and this seems to make the recovery somewhat easier.

With prompt diagnosis and surgery the dangers from appendicitis are slight; without them the risks remain considerable.

Today In Europe

By DAVID LAWRENCE

LONDON — Except for the British and the different names of the candidates and the parties, this might well be a presidential election campaign in the United States. For they have everything here, including the photogenic Anthony Eden sitting like Eisenhower with arms folded before the television camera as he delivers in the best Stevenson manner an impromptu address telling how his heart beats for the people.

They even have a rhubarb going on in the press here about the accuracy or inaccuracy of Gallup polls. The Socialist Laborites, being the side that is expected to lose the election according to the public opinion polls, don't, of course, think much of the technique, while the Conservative party leaders all think it must be accurate and are warning their supporters not to become victims of so much over-confidence as to forget to vote.

"An election isn't a game," warns Herbert Morrison, who was foreign secretary in the Attlee cabinet when the Socialist Labor party was last in power. "It isn't a kind of gigantic football match. It is a very serious thing. . . . It would be a pity if what is meant to be a grave constitutional duty and function should be reduced in the minds of the people to a kind of exercise in speculation."

Mr. Morrison said he had nothing, to be sure, against polls or pollsters as such, for he added that "After all, everyone is a bit of a pollster." But he objected to the use to which polls were put and the way they were presented to the public. He deplored the display "across several columns" in the newspapers of what he felt were avowedly estimates based on a "limited range of samples." Then he reminded his audience about the 1948 election in the United States, when Mr. Truman was elected despite polls that indicated he would be defeated.

All his has a familiar ring. So also have the main arguments in the speeches. The big issues, to be sure, are "peace and prosperity," as we know them in America, but over here they don't rely so much on slogans. They hammer home their points in considerable detail.

Sir Anthony Eden, whose continuance as prime minister depends on the outcome of the election next Thursday, told a nation-wide audience on television over the week end that all the issues that he had explained in his speech, important as they were in different spheres, were dominated by one which was the greatest of them all: "can we maintain peace?" He then repeated with emphasis the word "peace." As he moved along easily and informally in his talk, he said:

"I know there are some people who are saying this is a dull election. I have not found it dull. Anyway, I don't think slanging matches help us very much. I think there is perhaps another explanation which I found rather well expressed in the Socialist weekly yesterday, which read, 'Labor votes are not easily aroused when the country, generally speaking, is prosperous.' Well, of course that is true, the country is prosperous and we all know it and rejoice at it."

Nor is this campaign devoid of the same class prejudices which stump speakers use in the United States. Eden hit back at that sort of thing when he said:

"We must make up our minds that our object is to create new wealth and share out that new wealth as widely as we can among the people, instead of squabbling about what remains of the old wealth."

Another speech reminiscent of American campaigning was delivered over the week end by R. A. Butler, chancellor of the exchequer, whose leadership on the economic side has enabled the Conservatives to point with pride to the good times the British people have enjoyed as compared with the days when the Socialist Labor party prolonged rationing of food far beyond the period of controls in the United States. Mr. Butler pledged that "monopolies" would not be tolerated, nor would "price-rigging," which is the British translation of "price-fixing" as used in the antitrust vocabulary at Washington. But the man who runs the British treasury said frankly that his party would not hesitate to "reward success and cut loose cramping restrictions on human endeavors."

Mr. Butler claimed that his party has "restored national solvency" as well as "personal initiative and opportunity." Both he and his associates keep reminding the electorate about the Socialist Labor program for state ownership of industries, which is called "nationalization" over here—something which doesn't seem to be as popular even with the Socialist Labor party as it was just a few years ago.

The Socialist Labor party speakers concede that times are better but, like the Democrats in the United States, they gloomily see disaster ahead. As for progress on the peace front, The Socialist Labor party spokesmen claim that, if anything has been accomplished, it is due to the prodding by the Labor party in Parliament.

All in all, it feels here like an American political campaign with the same issues that may be acclaimed by the Republicans in 1956 if our nation is still at peace and still enjoys prosperity.

British Labor Blames H-Bomb In Weak Try To Defeat Tories

LONDON—(NEA)—America is being dragged by the long hair into the British Socialist's campaign for the general elections on May 26.

The nuclear bomb tests 6,000 miles away in Nevada have suddenly become the central issue in the British Labor party's bid to return to power.

"Stop the H-bomb tests, or you will produce freak babies," Labor party candidates are telling the voters, who will elect 630 members of Parliament next month.

The Labor party is, of course, referring to the genetic effects of nuclear radiation. Its campaign, however, is cutting very little ice with Britons, who realize that they have been exposed to less than a chest X-ray dose of radiation as a result of the Nevada tests.

That the Labor party can hold out little more than the prospect of deformed children to voters is a measure of its bankruptcy of ideas in the opinion of observers. Meanwhile, with three years of rising employment and prosperity behind it, the Tory party is going to the country full of confidence.

This will be the voters' first opportunity to approve the new team of Prime Minister Sir Anthony Eden, Foreign Secretary Harold Macmillan and Chancellor of the Exchequer R. A. Butler.

With "Invest In Success" as their slogan, the Tories stand to win a majority of from 50 to 100 seats in the House of Commons. The latter figure is indicated by the latest Gallup poll, which gives the Tories a four-point lead over their opponents.

A majority of Britons expect a Tory victory, according to the poll, and even among Labor supporters less than half anticipate success.

A surprising feature of the poll is that 73 per cent of those questioned approve of Sir Anthony Eden as prime minister. This contrasts strikingly with the Gallup poll of last January, which showed only 52 per cent favoring Sir Winston Churchill as P.M.

Television will play an important role in the general elections, with both major parties having already scheduled programs. But here again the Tories will have the edge.

Clement Attlee, leader of the Labor opposition, makes a drab figure alongside the handsome and glamorous Eden. But Labor is hoping to retrieve itself somewhat by starring peppery Hugh Gaitskell, party treasurer, in at least one telecast.

But election panic has seized the British Broadcasting Corporation. So scared are its chiefs of treading on political corns that they have cancelled a thriller series—because the sleuth mentions a Communist.

Other cancelled programs include two one-hour features to commemorate VE Day, because the voices of Eden and Attlee, recorded 10 years ago, are heard in them. A play, "Jig For a Gypsy," has been killed because a gypsy in it forecasts the result of an election.

A world note has been introduced from Madras by the intervention of former Governor-Gen-

POSTER PUZZLE IN LONDON stumps this British workman as May 26 general election nears. Even with his handy shovel, he doesn't seem to be able to dig the conflicting claims.

eral Rajagopalachari of India, to tell the voters of Gravesend to elect Sir Anthony Acland. Acland, an ex-Labor M.P., is running as an independent on a platform to outlaw the manufacture of the H-bomb.

One of the Tories' chief worries is that 500,000 Britons will

be away from home on holiday during election week. Most of the holiday-makers, they believe, would have voted Tory, and hoteliers on the continent confirm that most of their May reservations are from Britons in the higher income bracket.

Marine Construction Booms On Black Sea

WASHINGTON — A construction boom along the shores of the Black Sea is writing a new chapter in the history of the ancient, strife-ridden "international lake."

Encircled by one democratic and three communist nations, the 159,000-square-mile inland sea between Europe and Asia upholds its heritage as one of the world's most strategic waterways, the National Geographic Society says.

The Soviet Union has completed a vast canal system that connects Moscow to the Arctic Ocean and warm-water anchorages in the Black Sea. Ships on their way from northern waters to the southern sea and its bustling Russian ports no longer must sail around Europe via Gibraltar.

A Link to the Danube

Romania has started construction of a 40-mile canal to link the heavily traveled Danube River with Midia, its new Black Sea port. The Balkan nation has rebuilt Constanta, once a luxury resort, and modernized its docks.

The first metal, ocean-going vessel built in Bulgaria splashed into the Black Sea at Stalin (Varna) in 1950. Another was completed in 1951, along with a baker's dozen of smaller craft.

Turkey, an anchor nation in the western world's chain of defenses, is constructing a series of modern harbors along its 800-mile stretch of Black Sea coast.

Steamers could dock at only one Turkish point of call, Zonguldak, prior to the program. They anchored in open roadsteads at 16 others. Passengers went ashore in lighters resembling old Roman galleys, and furious winter storms

often held up loading or unloading for days.

Fortunately, Black Sea storms usually arrive on schedule. Each has its own name: Storm of the Quail, Storm of the Flowers, Storm of the Fish. Tempest timetables, similar to those used in the early 19th century, enable passengers to plan smooth trips.

These storms earned the sea a variety of names. Early Greek seafarers called it Axenus, "Unfriendly to Strangers." When Greek colonies took root from the 8th to 6th centuries B. C., everyone adopted a kinder attitude and it became Euxinus, "Friendly to Strangers." Heavy winter fogs that seemed to turn the water black gave the sea its present name.

The Black Sea can hardly be called a friendly body of water, however. Rivers provide a surface layer of fresh water. But extreme salinity in its lower depths pickled life many years ago. Today few if any plants or animals exist below 300 feet, for hydrogen sulphide gas produced by bacteria prohibits life at the lower levels.

Early parates, explorers and conquerors ventured across the Black Sea. At times it has been dominated by the Greeks, Romans, Genoese and Turks. Russia finally won navigational rights in the 18th century.

The mythical hero Jason sailed the Black Sea in his search for the Golden Fleece. And it was at Yalta, on the Crimean Peninsula, that the American, British and Russian leaders met in 1945 to plan strategy in the search for another elusive goal—peace.

Edson In Washington

By PETER EDSON

(NEA Washington Correspondent)

WASHINGTON — (NEA) — When Gen. Maxwell D. Taylor becomes Army chief of staff June 30, the situation on the U. S. Joint Chiefs of Staff will be different in only one major respect.

July 1 marks the start of a new government fiscal year. Department of Defense appropriations and manpower policies for the year will have been set by Congress.

The number one problem within the Joint Chiefs organization during the past year has been over the making of these policies, in view of the tense world situation.

It was agreed that the Air Force must have the big build-up of men and money. It did not get as much of either as it wanted or could use, but it was left reasonably happy.

Navy was given a slight cutback, Marine a larger one—percentage-wise—and the Army worst of all. Gen. Matthew B. Ridgway had the unwelcome final assignment as Army chief of staff to oppose these reductions. It is to his credit that he did this firmly but quietly, without kicking up a major ruckus such as similar policy disputes have caused in the past.

Sen. Richard Russell (D-Ga.), chairman of the Senate Armed Services Committee, is proposing a one year's delay on these reductions. But since the House has approved them, and since they are President Eisenhower's own policies, the prospect of changing them is considered slight.

This being the situation, the assignment which General Taylor faces is to carry out the new policies. He will have to forge the best Army he can out of the available money and manpower. On the latter score, it will apparently be without the big reserve program the President proposed to Congress.

General Taylor is a modest man for an ambitious career West Pointer and a hard-fightin' paratrooper. He has made few speeches and shunned publicity.

But his views on what America's military posture and strategy should be said to be closely akin to those of General of the Armies Douglas MacArthur and General Ridgway, who preceded him in the Far Eastern command.

General Taylor is convinced that the United States must concentrate its military preparedness for use against the heart and brains and guts of its principal enemy. It must not become involved in wrestling with jellyfish in minor wars.

The careers of Ridgway and Taylor are in many ways parallel. Both commanded airborne divisions. Both served in the Italian and French campaigns in World War II. At one time Taylor was Ridgway's artillery commander.

General Taylor was deputy Army chief of staff in charge of plans and operations at the Pentagon before he was assigned to command Ridgway's Eighth Army in Korea.

Taylor's return to Washington does not necessarily mean that there will be other changes in the Joint Chiefs of Staff this year, although this was contemplated when the new team was assigned by President Eisenhower in August, 1953.

The original plan was to change the chiefs of staff every two years and rotate the Joint Chiefs' chairmanships—Army, Navy, Air Force, General Omar Bradley and Adm. Arthur W. Radford having served as chairman, this would imply Air Force would get the next chairmanship.

Gen. Nathan F. Twining, present Air Force chief of staff, has been mentioned frequently as a possible next chairman. Gen. Lauris Norstad, now air deputy commander at NATO, has been considered a likely choice for a future air chief of staff.

The selection of Gen. Alfred M. Gruenther as Army chief of staff has been delayed because of the importance of his European assignment. This might also delay the selection of General Norstad for a Pentagon post.

The name of Adm. Jerauld Wright, now NATO supreme commander in the Atlantic, stands high in speculation on a likely successor to Adm. Robert B. Carney as chief of naval operations.

Return of Gen. J. Lawton Collins from his special post as President Eisenhower's ambassador to Viet Nam means that he will resume his regular assignment as U. S. representative on the NATO standing group of international staff officers in the Pentagon. General Collins was formerly Army chief of staff.

Contrary to some rumors, General Collins was not recalled from Viet Nam because of opposition from the French for his active support of Premier Ngo Dinh Diem. Now that career diplomat George Frederick Reinhardt has been named ambassador to Viet Nam, General Collins is free to take up his more important post.

But the problem of what to do with ex-chiefs of staff too young to retire has not been solved. General Taylor is only 54. He is considered a natural for a top job at NATO some day.

It isn't the minutes at the table that makes one yet. It's the seconds.

Bank To Be Host At Hermansville

The First National Bank of Hermansville has completed an extensive remodeling program and plans an open house reception for Saturday, from 2 to 7 p. m., to which the public is invited to see the new work and the new bookkeeping room constructed last fall.

The new bookkeeping room, 25x30 feet, is constructed of concrete blocks with brick facing and has a steel roof and concrete floor and full basement. It has acoustical tile ceiling and is lighted by fluorescent fixtures. A fireplace room adjoins.

The original bank building, constructed in 1921, has been rebuilt and equipped with acoustical tile ceiling and fluorescent lighting. Two new deposit box booths and new counters have been provided. The counters are covered with formica in birch and spruce green and provide four tellers windows. The room is finished in mint and dark green and all the bank's old grillwork, bullet roof glass and cages have been removed. New restrooms have also been provided.

Erling Arntzen of Escanaba was the general contractor.

OPEN HOUSE RECEPTION is planned by the First National Bank of Hermansville to show the public this attractive new interior of its bank

on Saturday from 2 to 7 p. m. Gone is the old grillwork and fluorescent lighting illuminates an attractive layout.

Tech's Exhibits Attract 16,000

HOUGHTON — Michigan Tech's biennial Engineering Show, which closed Saturday night, attracted 16,000 visitors, according to official estimates. It has been the largest of the seven shows staged since 1931, when the series was initiated.

The show was staged in conjunction with Michigan Week. Its purpose was to show how science and engineering are linked to social progress, and it stressed educational exhibits and demonstrations.

Over 5,000 persons visited the bacteriological exhibit, over 1,000 of them participating in the blood-typing program. Yet this was only one of over 100 separate demonstrations running concurrently.

Other popular exhibits included the model of the new Portage Lake bridge, the Bell Telephone demonstration, the Ford X-100, the automotive laboratory, metallurgical foundry demonstrations, the minerals exhibits.

Members of the class are Willard Clement, Nancy Farslund, Mary Ann Johnson, Carlyn Moberg, Duane Popour, Janice Schaefer and Mary Ann Sheedlo.

The program is as follows: Processional — Ann Hebert Invocation — Rev. John Ryan Salutatory — Mary Ann Sheedlo Valedictory — Mary Ann Johnson

Solo, "Mountains," Rasbach — J. Earl Cousineau Introduction of speaker — Ira Hanson

Address — Attorney Strom Presentation of Class — Ira Hanson

Awards — Harold Anderson Solo, "The Lord's Prayer," Mat-lotte — J. Earl Cousineau

Presentation of diplomas — Allen Mercie Benediction — Father Ryan Recessional, Ann Herbert

More than half of all Presidents of the United States have been college graduates.

Wheaton Strom Is Commencement Speaker At Nahma

NAHMA — Attorney Wheaton Strom of Escanaba will deliver the commencement address at exercises for graduates of the Nahma Rural Agricultural School Thursday at 8 p. m. at the Nahma Club House.

Members of the class are Willard Clement, Nancy Farslund, Mary Ann Johnson, Carlyn Moberg, Duane Popour, Janice Schaefer and Mary Ann Sheedlo.

The program is as follows: Processional — Ann Hebert Invocation — Rev. John Ryan Salutatory — Mary Ann Sheedlo Valedictory — Mary Ann Johnson

Chill Follows Storm In State

By THE ASSOCIATED PRESS

Michigan cooled off today after violent storms bringing death and widespread damage and the threat of tornadoes.

A sharp drop in temperatures followed up the humid spell routed by late Tuesday's storm.

Lightning struck and killed a Clinton county farmer and his son at the height of the storm.

A traffic death, result of a collision of two cars near Ann Arbor, was attributed in part to the storm.

High winds and rains lashed sections of southern Michigan.

While causing damage, the storm also dispelled a drought which had become worrisome in a number of areas.

Cloudy and cooler weather was general today. The U. S. Weather bureau said it will continue tonight with a rise in temperatures Thursday.

A brief tornado scare accompanied Tuesday's storm.

Southern border counties were put on the alert. Also warned were Ottawa, Muskegon and Kent counties.

Rock River Class To Be Graduated Thursday Night

CHATHAM—Rock River Township High School will hold its commencement exercises Thursday evening, May 26, in the Veterans Memorial Gym at Eben.

The program will be as follows:

Foss Elwyn Honored At Soo Testimonial

SAULT STE. MARIE — Elementary grade school teachers, high school faculty members and friends filled the McKinley School gym Monday evening in tribute to Foss Elwyn, superintendent of the Sault school system for the past 15 years.

Elwyn, in the Sault since 1922, leaves after graduation exercises this year to become executive director of Michigan's cerebral palsy program in Lansing.

Dr. Carl M. Horn, professor of guidance at Michigan State College likened Elwyn to a "bridge builder" in that he has "bridged the gaps between the schools and the community in his Citizens' Advisory Council."

Briefly Told

Cub Scout Pack—Cub Scout Pack 410 of the Franklin and St. Joseph Schools will hold its May meeting at the Franklin School Auditorium on Thursday, at 7:30. A carnival arranged and presented by the members of the dens will be the feature attraction. Arrangements have been made to re-register the present members of the pack. Prospective members and their parents are invited to attend.

Meeting Time Changed — The meeting of the county tax allocation board originally scheduled to be held Thursday at 7:30 has been moved up one hour and will be held Thursday at 6:30 p. m. at the Courthouse. The earlier meeting was decided upon to avoid a conflict with the Escanaba City Council meeting.

GRADE SCHOOL YOUNGSTERS are shown here examining a portion of the art exhibit held this week at the Junior High

School gymnasium. The elementary school art instructor, Charlene Loebel, is shown in the foreground.

B. & P. W. Club Installs Officers

The Escanaba Business and Professional Woman's Club officers for the new year were installed by Miss Marie Peters, past president, at the club's closing dinner meeting last night at the Sherman Hotel.

A report on accomplishments during the year was given by Nancy Petry, retiring president. Miss Josephine Ryan was named honor member of the year in appreciation of her varied club activities. A brief talk was given by Clara Strom, incoming president.

Plans were discussed for a special dinner meeting to be held June 20 at Jack's at Rapid River.

Stephenson Class Graduates Thursday

STEPHENSON — One hundred nineteen students from the mid-county area will graduate from Stephenson High School Thursday, May 26, at the annual Commencement Exercises at 8 p. m., CST, in the high school gymnasium.

Dr. Guy Hill of Michigan State College will deliver the commencement address. He will be introduced by Joseph B. Gucky, superintendent of Stephen Public Schools.

Presentation of diplomas will be accorded Herbert Corey, secretary of the board of education, while the class advisors, Mrs. Beth Brown, Miss Irene Ruszkowski and Robert Veolkner will present awards and honors.

Horse Robbed

CHARLESTON, S. C. — Somebody pried open the tummy of a pay-as-you-ride hobby horse in a local store and stole \$150 in dimes.

Students Take \$13,000 In Tree

LEBANON, Pa. (AP) — Two high school seniors, one of them scheduled to be valedictorian of the graduating class, were held Tuesday on charges of stealing more than \$13,000 from a Lebanon nurseryman who hid his cash in a tree.

Dist. Atty. L. E. Meyer identified the youths as Cleland Hostetter and Richard Hoke, both 17.

Meyer said Hostetter, a senior at Cornwall High School, had been named to deliver the valedictory address Wednesday for his graduating class.

Meyer said \$5,200 of the money was recovered with approximately \$8,000 still unaccounted for.

John Lenker, county detective, and Pfc. William J. Anselmi, of the state police, said the money was taken from a tin can in a tree on the nursery lot belonging to Warren W. Wentz, Lebanon.

Wentz told the officers that he last checked his cache in March. He said he hid the money there because he "didn't want to put it in a bank."

The youths, Meyer said, reported they learned of the hidden money from some younger boys who came across it while hunting with air rifles.

34 Are Graduated At Bark River High

BARK RIVER—The 34 members of the graduating class of Bark River-Harris High School received their diplomas at commencement exercises May 20 at the Bark River Community Hall.

The commencement address was delivered by Dean Don Bottom of Northern Michigan College of Education and the diplomas were awarded by Lee Richlen, superintendent of schools.

Wayne Erickson and Pat Konkel received the Lions' Club awards presented by Jim Anderson and scholarships were awarded Joyce Vandermisken, Eleanor Charbonneau, Katherine DeLoughery, Lois Good, Pat Konkel and Marlene Plontek.

The graduating class of 1955 included Evelyn Bergstrom, Betty Borden, Barbara Bugay, Janice Butryn, Eleanor Charbonneau, Katherine DeLoughery, Ellen Detjen, Carol Flath, Margaret Gardner, Lenore Gatten, Louise Gauthier, Lois Good, Joan Gustafson, Patricia Konkel, Lenore LaFave, Barbara LaFleur, Marie LeClaire, Velma Meyers, Joan Pearson, Marlene Plontek and Joyce Vandermisken. Roy Chaulkin, David Chernick, Ted Cota, John Dugas, Wayne Erickson, Michael Glavacki, Ronald Kleiman, Walter Moniowczak, Roy Nelson, Joseph Schermer, Lloyd Strahl, Richard Tounignant and Raymond VanEnkevort.

What's In A Name?

PT. BRAGG, N. C. (AP) — A Dakota Indian volunteered to become a parachute jumper in the 82nd Airborne Division here.

His name: Pvt. Broken Leg of Pine Ridge, S. D.

STUDENTS OF ESCANABA TOWNSHIP school visited the Escanaba Press the other day. They are shown here in the engraving department

where they saw how pictures are engraved by an electronic process.

Rock Legionnaires Plan Memorial Day Observance May 30

ROCK—The Rock Legion Post 559 and the Auxiliary Unit will hold Memorial Day observances at the Rock Cemetery on Monday, May 30th.

The Legionnaires, members of the Auxiliary Unit and band members are requested to be at the Rock High School by 9:30 a. m. on Monday May 30 to prepare for the parade. The Auxiliary Unit will march with the Legionnaires and will sing at the cemetery.

The Legionnaires are requested to be at the Rock cemetery at 6:30 p. m. on Wednesday, May 31st.

In Detroit RENNEL REDUCES

"I have used Renne Concentrate and have found it to be the best reducing aid I have ever used," writes Mrs. F. E. Bilbrey, 1597 Parkview. "With it I have lost 24 pounds and feel fine. I have tried several treatments and other reducers with no good effect. With Renne my health has improved and my weight loss pleases me. I advise people who want to lose weight to give it a fair trial."

Make Renne work for you. If not pleased with the very first bottle return it to the manufacturer for your money back. Priced at \$1.40.

25 for cleaning up and fixing the veterans graves.

The poppy sale is under the direction of the Auxiliary Unit this year. The Boy Scouts have begun the selling of poppies already, however, the Auxiliary members will launch a special Poppy Day drive on Sat., May 28.

SWELLING AND INTENSE PAIN IN ARMS AND LEGS MADE LIFE MISERABLE

"Read my true testimonial," says Mr. William Roe, 617 S. Rosemary Street, Lansing, "and judge for yourself why O-JIB-WA BITTERS is best for rheumatism, arthritis and stomach trouble."

"I've had lumbago off and on for quite some time, but nothing ever struck me down like an attack of rheumatism and arthritis did about five years ago. My arms and legs. Soon, I was up at night, feet and around doing things again that ankles were wouldn't have believed possible swollen so big just a few months before. That I couldn't lace up my shoes in fact, WA BITTERS straightened out my stomach too. I can eat an on at all was thing now without worryin hard to bear, about stomach upset, and ev. My arms were bacon grease on bread does stiff and ached bother me. Believe me, after n. terribly all the experience, I wouldn't be without time. I couldn't raise them up O-JIB-WA BITTERS. I even tal to my neck or put them behind it with me when traveling. Mar my back to fasten my suspenders. people have asked me how I ma Then it got worse—if you can age to get around so well after imagine that. I was forced to the bad shape I was in, and I bed for about three weeks, while glad to tell them how O-JIB-W cramps in my legs kept me awake BITTERS put me back on m and I was just miserable. On feet. I have recommended it t top of all this, my stomach was many others, and they ar acting up. I love greasy food pleased with it too. It is m and was unable to eat any with hope that this statement reach someone who needs help, and will outgassing me. Then, about two give O-JIB-WA BITTERS a fair trial like I did."

years ago, I saw an ad in the newspaper praising O-JIB-WA BITTERS for helping someone

Banks Must Pay State Sales Tax

WASHINGTON (AP) — National banks in Michigan have lost their Supreme Court fight to escape paying the state's 3 per cent sales tax.

The high tribunal Monday refused to review a decision of the State Supreme Court that Michigan may collect sales tax on articles sold by retailers to national banks.

The appeal was filed by the National Bank of Detroit in a test case begun on behalf of more than 80 national banks in Michigan.

In other actions, the Supreme Court declined to hear a new appeal which questioned the constitutionality of Michigan's Grand Jury law. And it took no action on a second appeal involving the same question.

The appeal to the high court declined to hear was filed by Henry R. Pickett, Richard L. Kirby and Harold Wirsing, who were convicted by a jury on charges of conspiracy to violate the Michigan Gambling law.

Nahma

Mass Schedule

NAHMA—A new Mass schedule for St. Andrew's Church, Nahma, and the Missions of St. Anne's, Isabella, and St. Mary's in Cooks will go into effect Sunday, May 29. Mass at Nahma will be at 7:30 a. m. every Sunday. Mass at St. Anne's in Isabella will be at 10 a. m. and at St. Mary's in Cooks at 11:45 a. m. The Mass times for Isabella and Cooks will alternate each Sunday until fall.

Cemetery Clean-Up

Men of St. Andrew's parish and all others interested are asked to donate some time Saturday, May 28, in helping clean up the cemetery. Frank Stupak will be in charge of the project and those able to help are asked to contact him regarding the time.

Birth Announcement

Mr. and Mrs. Fred Pritchard of Milwaukee announce the birth of their first child, a daughter, born May 10. The baby has been named Pauline Anne. Mrs. Pritchard is the former Georgine DeLoria of Nahma.

RED OWL STORES

THE ESCANABA JAYCEES received first place in youth welfare activities for Michigan units in cities of 7,000 to 25,000 population at the Michigan Junior Chamber of Commerce convention in Saginaw last weekend. President-Elect Al Lord of the Escanaba club received the plaque and is shown here, left, presenting the trophy to Dr. Al Gossan and Jack Manning who were co-chairmen of the talent show sponsored by the club. This activity presented in scrapbook form prepared by Bill Meiers was the basis for the award.

Kimberly Clark Plants 45,000 Trees Near Rock

ROCK—Kimberly Clark of Mich., Inc., has just completed the planting of 45,000 trees in the West Rock area. They planted 9,500 number 3-0 red pine, 4,500 number 3-0 white spruce as an experiment and 31,000 of number 2-2 white spruce. Planting was under the direction of Les Hillberg, district forester and Ben Hemingway, field supervisor, both of Munising. Assisting with the planting this year were Oscar Saari, Toivo Lauri and Ed Ahlgren, all of Rock.

CARE FOR FLOORS THE MODERN WAY

Here's good news for every woman who wants to keep her kitchen floor shiny and clean. Glaxo, a new floor care, has been developed especially to help her get the maximum wear and beauty from her colorful linoleum or asphalt tile flooring.

Glaxo forms a clear, hard coat that seals out dirt, eliminates scrubbing and wears like iron. Applied twice a year or so, it gives a high-luster, non-slip finish that beats waxing in every way.

FAIR STORE

spruce planted around that area last spring, a counting conducted last fall showed that survival was better than 99 %.

Last fall additional trees were planted, 3,000 number 3-0 red pine and 35,000 number 2-2 white

Ferries At Straits On Summer Schedule

LANSING (AP)—State ferries at the Straits of Mackinac have gone on their summer - fall schedule, the State Highway Department reported.

On Friday and Saturday until Dec. 1 ferries will leave every hour on the hour from both St. Ignace and Mackinaw City.

On other days of the week, the ships will skip the 2 a.m. and 3 a.m. departures from Mackinaw City and the 1 a.m. and 2 a.m. departures from St. Ignace until traffic warrants an around-the-clock schedule.

First morning duty of custodians at Blarney Castle, Eire, is to scrub the lipstick off the Blarney Stone.

Crop Penalties Are Repealed

WASHINGTON (AP) — President Eisenhower has signed a bill repealing a 1954 provision of the Agriculture Adjustment Act denying Agriculture Conservation (ACP) payments to farmers failing to comply with acreage allotments on all basic price supported crops.

The ACP eligibility provision was enacted last year to obtain greater compliance with acreage adjustment programs. It was regarded by the agriculture department as more likely to discourage soil conservation practices on family-type farms, which are exempt from quota controls.

Eisenhower repealed the provision Monday.

The ACP eligibility section of the law applied only to cotton prior to 1954. It was seldom used, however, because marketing quotas as well as acreage controls prevented overplanting.

The last Congress expanded the eligibility principle to apply to all basic commodities — corn, wheat, peanuts, tobacco and rice, as well as cotton.

Farmers with less than 15-acre wheat allotment are now permitted to harvest up to 15 acres of wheat without penalty. The exemption from marketing quota penalties, however, did not extend to ACP payment eligibility and small wheat farmers were therefore penalized even though otherwise within the law.

Briefs
Mrs. Martha Ward has returned to her home here after spending the winter months with members of her family in Lower Michigan. Her daughter, Dorothy, who accompanied her mother here, returned to Monroe today.

Mrs. Marion Hayes of Kalamazoo is visiting her mother, Mrs. Martha Ward.

Mrs. Antone Deloria has been released from St. Francis Hospital, Escanaba, and has gone to Milwaukee for further medical treatment.

Mr. and Mrs. Lawrence LaVigne and daughter Joan left Sunday for Detroit after attending the funeral of his father.

Fritz and Rudy Gereau of Green Bay spent the weekend at the senior Rudy Gereau home.

Frank Hruska left Saturday for Anderson, Ind., where he will be employed.

Weekend guests at the Herman Bramer home were Mr. and Mrs. Herb Wolff and Dick Wolff of Milwaukee and Mr. and Mrs. Wallace Renelt and son of Oshkosh.

School Closing
The Nahma Rural Agricultural School will close June 3. Picnics for all classes will be held Wednesday, June 1.

NAVY ENSIGN JOHN D. EDICK, (right) son of Mr. and Mrs. Edward E. Edick, 819 Lake Shore Drive, Escanaba, received his commission in the U. S. Naval Reserve from Rear Admiral Thomas H. Robbins Jr., USN, chief of staff of the Naval War College, Newport, R. I. May 6. He graduated ninth in a class of 690. His wife is the former Ruth Bard, of Thornwood, N. Y. He has been assigned to the Civil Engineering Corps School, Port Hueneme, Calif.

Adenauer Will Visit Washington

WASHINGTON (AP) — State Department official said that German Chancellor Konrad Adenauer will pay a one-day visit to Washington next month.

They said Adenauer will be in

the United States to receive an honorary doctorate from Harvard University June 16.

While in the United States, they said, Adenauer will visit Washington for courtesy talks with President Eisenhower and Secretary of State Dulles.

No big topics are expected to come up for discussion.

FATAL LABOR
SOUTH WINDSOR, Conn. (AP) — Carl H. Tomlinson, 13, worked for a week building a log raft. He sailed it just 10 feet before it tipped over and he was drowned.

Mrs. D. K. Johnson Heads Annual Poppy Day Sale

Mrs. David K. Johnson is general chairman of the annual Poppy Day sale which will be conducted by the American Legion Auxiliary of Cloverland Post 82 in Escanaba Friday and Saturday, May 27 and 28. Groups of Camp Fire Girls and Girl Scouts will assist in the sale.

Funds derived from the Poppy Day sale, it is emphasized, are used for the following purposes only:

1—For the rehabilitation of veterans of World War I, World War II and the hostilities beginning June 25, 1950 and ending at the date determined by the United States government.

2—For the welfare of the families of veterans of World War I, or of the veterans of World War II, or of those persons who have served or are serving the military services between June 25, 1950, and the date of cessation of hostilities as determined by the United States government.

3—To defray expenses of the Department Child Welfare and Rehabilitation in attending area conferences.

Three Wars
"When you put on a memorial poppy on Poppy Day you will be paying individual tribute to those who have died for America in the three wars of the twentieth century," Mrs. Johnson said today.

"Although the custom of wearing poppies in honor of the war dead sprang from World War I when the little red flowers grew in such profusion between the crosses, row on row, in the war cemeteries in Europe, the flowers have come to symbolize sacrifice of life for America wherever it occurred. We wear the flowers for those who died in the far Pacific in World War II, as well as those who gave their lives in the European theater where the poppy is a native wild flower. And now we wear them, too, for the dead of the Korean conflict."

Aid To Veterans
"When we think of the war dead, we naturally think of those who did not die out suffered disabling wounds or illnesses in defense of the country. Wearing poppies enables us to help these disabled veterans, and the children of veterans who also face privation and hardship because their fathers served."

"The contributions made on Poppy Day not only pay the disabled veterans who shape the little crepe paper flowers, but form the chief source of support for the vast rehabilitation and child welfare programs carried out continuously by the American Legion Auxiliary."

Playlet Given At Presbyterian Closing Meeting

"Mary, Maria and Money," a skit based on the theme, "Christ's Way: The Discipline of Daily Living," was given at the Presbyterian Women's Association final meeting of the year held Tuesday afternoon in Westminster Hall of the church.

Mrs. Lawrence Klug was program chairman.

The characters and action of the playlet pointed the way to application of Christ's teaching in daily living, in the use of money and in concern for others. The stage was a double setting with an American home on the right and a Mexican home on the left.

Cast of Characters

Characters in the play were: American family—Mary, the mother, Mrs. John Luecke; her daughters, Anne and Sally, Mrs. Robert Brackett and Mrs. Donald McKie; Mrs. Everybody's Wrong But Me, a friend of the family, Mrs. Clifton Reno.

Mexican family—Maria, Mrs. Lawrence Erickson; husband, Mrs. Edward Briggs; daughter, Mrs. Evelyn Christensen; neighbor, Mrs. Thomas Mannebach.

The program closed with assembly singing of "In Christ There Is No East or West." Mrs. M. H. Garrard Jr. was accompanist.

Garden Tour Planned

During the business meeting plans were made to sponsor a garden tour Saturday and Sunday, May 28 and 29, from 1 p. m. until dark, at the home of Mrs. John Luecke, 814 S. 14th St. The tour will be open to all interested members of the community and their friends. Refreshments will be served and a silver offering will be taken.

Mrs. Leonard Vader, first vice president, conducted the business meeting in the absence of Mrs. R. J. Schultz, president.

Mrs. Robert Owen was hostess chairman for the meeting and was assisted by Mrs. P. S. Clark, Mrs. Walter H. Dickson, Mrs. F. M. Fernstrom and Mrs. Cecil Fisher.

When you are stewing or steaming chicken, remember that it takes chicken pieces about as long as a whole bird to cook.

A son, Randal Joseph, was born at St. Francis Hospital May 20 to Mr. and Mrs. Russell A. Beauchamp, Escanaba Rte. 1. He weighed 7 pounds and 10½ ounces. Previously, Mrs. Beauchamp was Alice Dupuydt.

Mr. and Mrs. Donald W. O'Neil of Spalding are the parents of a daughter, who weighed 8 pounds and 4 ounces at birth. The infant, named Deborah Lynn, was born May 21 at St. Francis Hospital. Mrs. O'Neil was Dolores DeLoughery.

A son was born to Mr. and Mrs. John J. Schwalbach, Gladstone Rte. 1, on May 21 at St. Francis Hospital. He weighed 7 pounds and 9 ounces and was named Wayne Lee. Before her marriage, Mrs. Schwalbach was Ione Wickstrom.

David Don is the name selected by Mr. and Mrs. Walter P. Joque, 412 S. 8th St., for their son, who weighed 7 pounds and 10 ounces at birth May 21 at St. Francis Hospital. Mrs. Joque formerly was Genevieve Thompson.

Jean LaBranche Will Be Queen Of May Crowning

Jean LaBranche, prefect of St. Joseph Sodality, will crown the statue of the Blessed Virgin at the annual May Crowning ceremony Thursday at 7:30 p. m. in St. Joseph Church. Father Stephen Schneider, O.F.M., pastor, will conduct the services. Arrangements are in charge of the Sodality religious committee, headed by Carol Lancour.

The program will consist of the rosary, led by the members of the Sodality, reception of new members who have completed their time of probation, reception into probation of the eighth grade graduates of St. Joseph School, the Crowning, St. Jude Novena prayers, and Benediction.

Father Colman Higdon, O.F.M., spiritual director of the Sodality, will receive the new members.

Songs to be sung by the Sodality during the service include "Mother Beloved," "Tis the Month of Our Mother," "Bring Flowers of the Fairest," and "To Christ the King."

Members of the Queen's court are Barbara Boyce, maid of honor, James Weber, Thomas Schaut,

Christian Science Lecture Sunday

A free lecture entitled "Christian Science: The Way of Dominion" will be given by Mrs. Elisabeth Carroll Scott of Memphis, Tenn., member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., in the church edifice, 325 S. 13th St., Sunday, May 29, at 4 p. m. EST. The lecture is sponsored by the Christian Science Society of Escanaba. All are welcome to attend.

Births

Mr. and Mrs. Leonard J. Wallin, Escanaba Rte. 1, are the parents of a son, who was born at St. Francis Hospital May 21. The baby, who was given the name, Leon Joseph, weighed 8 pounds and 10 ounces. The mother's maiden name is Shirley Hartwig.

Jerry Thill, Richard Gasman, Mary Ottensman, Carol Valind, Marcia Root and Carol Lancour.

At this evening's Sodality meeting and rehearsal, gold Sodality pins will be awarded to Jean LaBranche, Richard Gasman, and Carol Valind, seniors, for outstanding service to the Sodality during four years.

Franklin Sixth Grade Honored Last Evening

The sixth grade of the Franklin School was honored last evening at a graduation dinner, sponsored by the Franklin P.T.A., at the Delta Hotel.

Following the dinner, a short program was held. Neva Rogers and Roberta Anutta, accompanied by Mrs. Clara Somers, played violin selections, "Drink to Me Only With Thine Eyes", "Largo" and "The Bird Song". Group singing was led by Paul Vardigan, sixth grade teacher.

Diplomas were presented to the following sixth grade students: Judy Alford, Judy Bingham, Donna Byers, Bonnie Cool, Mary Douglas, Kristin Erickson, Sally Ericson, Ronald Hardwick, David Johnson, Terry Johnston, Rosemary Krokstad, Mary Larson, Bonnie Lawrie, Phyllis Martin, Pat Morin, Joanne Nelson, Bonnie Nicholson, Mike Nordin, Jeanne Pomazal, Carmen Roberts,

Joe Roberts, Tom Robinson, Neva Rogers, Bob Rosemurgy, Connie Swank, Dennis Tushak and Judy Visnaw.

Mrs. Nels Larson, sixth grade home room mother, was in charge of the flowers and diplomas.

Teachers attending included Mrs. Lucille Shaw, Miss Jennie Maurina, Miss Marie Jacobson and Paul Vardigan. Mrs. Joseph Dickson and Mrs. Kenneth Lawson represented the P.T.A. The parents of the honored students also attended.

Personals

Mrs. R. W. Coolman, 612 Ludington St., visited over the weekend with her sister, Mrs. Marion C. Long, who is a patient at St. Luke's Hospital, Marquette.

"If It's New . . . We Have It"

U. P. Man Heads Masonic Lodge

For the sixth time in the 128 years of Michigan Grand Lodge history, an Upper Peninsula Mason, Henry R. Ruusi, today was unanimously elected as Grand Master of Masons. He is the 105th Master Mason to occupy the office. Born in Ishpeming, April 17, 1907, he received his early schooling in his native city and graduated from Ishpeming High School in 1925. In 1930 he graduated from Northern Michigan College of Education with an A. B. degree.

In 1931 he built a service station which has since expanded into a bulk oil plant. He will complete 25 years as head of this firm in June of this year. Ruusi has held numerous civic and business positions in his community and at present is a director of the Peninsula Bank, treasurer of the Ishpeming Broadcasting Company, vice-president of the Board of Education, and member of the Bethel Lutheran Church Board. From 1943 to 1946 he served on the Ishpeming City Council and was also Supervisor of Marquette County. In 1945 he was Mayor of the City of Ishpeming.

Married on June 20, 1931, to Alma Henrietta Johnson, Ruusi has two sons, John Henry, 17 and Richard Rudolph 14.

Ruusi is a member of Ishpeming Lodge No. 314, Ishpeming Chapter No. 152, Lake Superior Commandery No. 30, and Francis M. Moore Consistory at Marquette. He served as Master of Ishpeming Lodge in 1945, and as Most Wise Master of Peninsular Chapter of Rose Croix from 1946 to 1949. He is presently serving as Potentate of Ahmed Temple of the Mystic Shrine, and holds membership in the Red Cross of Constantine and Hematite Chapter No. 190, O.E.S.

For the tremendous services which he has rendered to Masonry and to his home city, Ruusi was in September, 1954, at Boston, elected to receive the 33°. This honor will come to him at Detroit during September of this year.

Rate Cut Offered

SALT LAKE CITY (AP)—Members of the Utah Public Service Commission may have been slightly startled by a request Monday, but they went right ahead and granted it.

The request, by the Vendover Light & Power Co., was for permission to reduce its rates by more than 15 per cent.

Teased GI Leaps 180 Feet To Death

NEW YORK (AP)—Seventeen-year-old William Oliver was to become a parachute trooper.

Monday a group of pals teased him about his qualifications for the service as they were crossing a Harlem River bridge. Flushed with anger, the youth vaulted a four-foot railing of the bridge, stripped off his T-shirt and kicked off his shoes. "I'll show you," he shouted. Then he plunged 180 feet into the river below. It took an hour to recover the body.

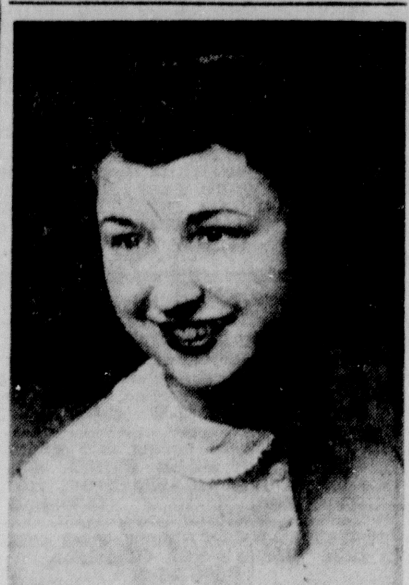

Father In Jail; Son Kills Self

BANNING, Calif. (AP)—Nine-year-old Roger Deason Jr., whose father is in jail awaiting sentence on a burglary charge, committed suicide Monday night, police reported.

Police said the child pulled the trigger of a 12-gauge shotgun with a string. His mother, who had been away, found the body in a bedroom.

Officers said they found a largely incoherent note in which the boy indicated despondence over his father's plight. Deason Sr., 27, a plasterer, was arrested last month for burglary of a market. He will be sentenced May 27.

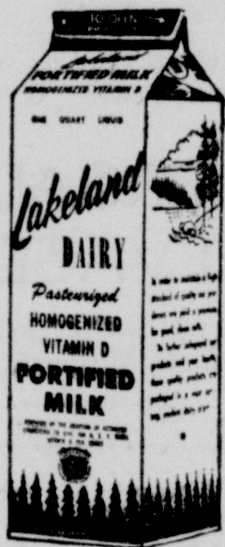

DAILY PRESS
Escanaba, May 25, 1955 13

SCHOLARSHIP—Joyce Vandermissen, 1955 graduate of Bark River-Harris High School, has been awarded a State Board of Education scholarship to Northern Michigan College of Education, Marquette. Miss Vandermissen, a daughter of Mr. and Mrs. Henry Vandermissen of Wilson, plans to enroll at Northern as a commercial major and teach high school commercial courses after college graduation.

More people get more news from newspapers than from all other sources combined.

Marvin Fredrickson Speaker For Cooks Commencement

Marvin Fredrickson, Manistique High school faculty member, will be the main speaker at the Cooks High School commencement program Wednesday evening, June 1.

Mr. Fredrickson is a graduate of Western Michigan College of Education and received a Master's Degree from the University of Michigan. His work in speech and debate has been outstanding and he has coached one of the only two state oratory champions from the Upper Peninsula.

He has also coached four Upper Peninsula championship debate teams.

Fredrickson spoke at Cooks' earlier in the year, when he gave an address at the basketball banquet.

Two Guardsmen Sign Up For Enlistment

Two new Guardsmen have enlisted in Company D of the National Guard 107th engineer battalion here.

They are Bernard S. Grenier, son of Mr. and Mrs. Bernard Grenier, of Garden, and Montgomery Lee Ward, son of Mr. and Mrs. Hartley LaBute, of Garden.

Pfc Wesley R. Hewitt, of Gould City, a Company D member, has completed service training in tractor operation, an 8-week course at Fort Leonard Wood, Mo., and has returned to his home here.

Softball

The Nords won their fourth straight game by beating the National Guard 13 to 1. Pitcher Al Adams helped his own cause by driving in three runs and scoring one. The Fords are in first place, one game ahead of Christys Bar who has 3 wins.

In the nighttime Christy's Bar trounced the Paper Mill 21 to 8. Christys scored 8 runs in the fourth and 8 more in the eighth.

Americans Perish On British Peak

EDINBURGH, Scotland (AP)—The bodies of two American students missing since Sunday were found Tuesday in a snow-filled gully on Ben Nevis, Britain's highest mountain (4,406 feet).

The climbers were Frederick C. Hadden, 21, Pasadena, Calif., and Bert Woodburn, 21, San Gabriel, Calif. Both were students at Edinburgh University.

Members of a Royal Air Force rescue squad who found them said both appeared to have died quickly from severe injuries suffered in falls.

More people get more news from newspapers than from all other sources combined.

Gov. Williams To Speak Here

Gov. G. Mennen Williams will speak in Manistique during the U. P. American Legion convention here June 16-19, Fred H. Hahne, general chairman reports.

The governor is scheduled to visit the city Saturday, June 18. He will arrive, under present plans, at 11:15 a. m., and will leave at 12:45 p. m. His main speech will be at a meeting of Legion posts and their Auxiliaries.

Also coming for the Legion convention will be Thomas P. Paine, of New York City, a marketing executive for a beverage company.

Briefly Told

Poppy Sale — The VFW Auxiliary will hold a poppy sale here on May 26, 27 and 28.

Luther League — Zion Lutheran Luther League will meet at 7:30 tonight at the church.

Recreation Board — The Recreation Board will meet at 8:30 tonight at the City Hall.

Choir Practice — The choir of St. Alban's Episcopal Church will practice at the church at 4 p. m., Thursday.

Senior Choir — Bethel Baptist senior choir will meet at the church at 8:45 tonight for practice.

Choir Practice — The mixed choir of the Presbyterian Church will meet at the church at 7:15 p. m., Thursday and the girls choir will meet at 7:45 p. m.

St. Jude Circle — Officers will be elected by St. Jude Circle at a meeting to be held at 8 p. m., Thursday at the home of Mrs. Pat Fagan, Schoolcraft Ave.

Extension Club — Manistique Home Extension Club No. 1 will meet at 8 tonight at the home of Mrs. Arthur Saunders, 359 Lake St. All members are urged to attend.

Royal Neighbors — The Royal Neighbors of America will hold a social meeting Thursday at 8 p. m., at the home of Mrs. Albert Demers, N. Cedar St. Miss Shirley Demers will be the assisting hostess.

Legion Meeting — American Legion Post 83 will hold its regular meeting at 8:30 p. m., Thursday at the club rooms. There will be an election of officers. The Legion convention committee will meet at 7 p. m., Thursday at the First National Bank.

City Briefs

Mrs. Ian McKilligan, Mrs. Nellie Raredon and Mrs. J. J. Herbert attended the District 7 meeting of Michigan Library Association held at Escanaba Saturday.

Mrs. Gilbert Verbit and son, Gilbert Jr., and daughter, Julie Ann, 116 N. Mackinac Ave., have returned after visiting at Merrill, Wis., with relatives.

Mrs. Earl Malloch Jr., 542 Michigan Ave., is a patient at Little Traverse Hospital at Petoskey.

Mr. and Mrs. James Malloch and family, of St. Ignace, returned to their home Tuesday after spending a few days here with Mr. and Mrs. Earl Malloch Sr., and Mr. and Mrs. William Sellman.

Richard Day returned today to Chicago after spending the past week fishing in the area. While here, Mr. Day visited at the Art Demers home, 338 Cedar St.

In 1906, four-fifths of New York taxicabs were French cars.

Council Votes Attendance Of Two At League Meeting

Attendance of the city manager and one Council member at an Upper Peninsula meeting of the Michigan Municipal League was authorized Monday night during a regular meeting of the City Council.

The League sessions will be held June 8 and 9 in Ironwood. Protection and investment of municipal funds, municipal financing for public improvements and highways, operation problems within a city, including police and fire protection, and current legislation will be considered.

Speech Awards Are Scheduled

Awards in dramatics, forensics and debate will be given in Manistique High School at a program scheduled for 2:30 p. m., Friday, Coach Marvin Fredrickson reports.

The program will include annual presentation of the Regent Herbert cup, by Carl Olson, a member of the State Forensics board, and presenting of the "Best Thespian" award by Coach Fredrickson.

Debutants are scheduled to receive letters, medals and watches, and the debate plaque won by the High School squad this year will be presented by Mary Ella Giovannini to Melvin Ott, student association president.

Forensics awards will be presented by Coach Fredrickson, and the University of Michigan Scholarship award, to Ken Dixon, of Gulliver, will be presented by Atty. William Hood.

Music for the program will include a vocal solo, "Mona Lisa" by Romberg, sung by Gail LeBrasseur with Loretta Charron as accompanist, and three numbers by the school choir, "Swanee," "Soon Ah Will Be Done" and a Czechoslovakian dance song.

Melvin Ott is program chairman.

Undersized Trout Brina Fine Here

Clifford Cota, 29, of Wetmore, pleaded guilty in Justice Court Tuesday on a charge of possessing undersized trout and was levied fine of \$5 and costs of \$7.50. Cota was apprehended by Conservation Officer Leslie Walstrom.

Also in court Tuesday was Edwin A. Schrubble, 17, of Racine, Wis., who was arrested by Manistique State police for driving while his license was suspended. He was assessed fine of \$25 and costs of \$2 and ordered to serve two days in jail. His license had been suspended following a hit and run accident.

New Names In The News

Births at Schoolcraft Memorial Hospital Saturday through Tuesday morning were as follows:

A daughter born Saturday to Mr. and Mrs. Robert Couturier, of McMillan. She weighed 8 pounds, 14 1/2 ounces.

A son, weighing 8 pounds, 13 ounces, was born Saturday to Mr. and Mrs. Leon King, of Naubinway.

Born to Mr. and Mrs. Albert Kaiser, of Cooks, a son, weighing 8 pounds, 12 ounces, on Sunday.

Mr. and Mrs. Robert Vadnais, of Milwaukee, Wis., are the parents of a son born Monday. He weighed 5 pounds, 8 1/4 ounces.

A daughter was born to Mr. and Mrs. Richard Weber, Route 1, on Tuesday. She weighed 6 pounds, 8 ounces.

A son, weighing 8 pounds, 13 ounces, was born Saturday to Mr. and Mrs. Leon King, of Naubinway.

Born to Mr. and Mrs. Albert Kaiser, of Cooks, a son, weighing 8 pounds, 12 ounces, on Sunday.

Mr. and Mrs. Robert Vadnais, of Milwaukee, Wis., are the parents of a son born Monday. He weighed 5 pounds, 8 1/4 ounces.

A daughter was born to Mr. and Mrs. Richard Weber, Route 1, on Tuesday. She weighed 6 pounds, 8 ounces.

A son, weighing 8 pounds, 13 ounces, was born Saturday to Mr. and Mrs. Leon King, of Naubinway.

Born to Mr. and Mrs. Albert Kaiser, of Cooks, a son, weighing 8 pounds, 12 ounces, on Sunday.

Fords Swamp Lakers; Move To First Place

The Fords moved into first place in the Manistique softball league Monday night when they swamped the highly-rated Top O' Lakes 25 to 6.

The fourth and seventh innings were the big ones for the Fords. They batted all the way around for a total of 15 runs. Johnson, Middaugh, Carlson and Olsen hit home runs for the winners.

Al Adams marked his third win of the season in putting the Fords in first place.

In the opener Monday night, Inland edged the Paper Mill 8 to 6. Wayne Tuffnell scored the winning run on pitcher Ben Chatter's single in the fifth.

To The Voters Of Manistique Township

We thank you for your splendid support for the new school. We will do our best to justify your faith in us.

MANISTIQUE

Public Hearing Waived On Paper Firm's Order From Water Commission

The Michigan Water Resources commission, which this month issued a new order in the application of the Manistique Pulp and Paper company to dispose of neutral, semi-chemical pulp waste in Lake Michigan, is being waived this week that a new public hearing is not necessary on the application.

The paper company in 1954 proposed a method of sulfite waste treatment to the Water Resources commission and a hearing was held on it here July 28. However, no agreement was reached which would be mutually acceptable to the commission and the company.

The 1954 proposal was then with drawn and a new one submitted early this year, through Ebasco Services Inc.

In the 1955 proposal to construct a 100-ton pulp mill involving use of neutral, semi-chemical process in the manufacture of pulp from aspen and hardwoods, the company proposes to discharge the sulfite liquor in the Manistique River below the mill. It has agreed to install the latest known methods of efficient pulp manufacture, but asks a six month waiting period of operation before the effectiveness of its means of protecting the Manistique river and Lake Michigan from unlawful pollution is evaluated, according to the commission.

No Plans Announced

Since the Commission issued its new order of determination, copies have been forwarded here to Mayor A. W. Heitman and other persons who appeared during the hearing here last July. Mayor Heitman directed, at the City Council meeting Monday night, that the Commission be informed another public hearing is not necessary. Other interested persons, including Fred H. Hahne, who appeared in behalf of the Top O' Lake Chamber of Commerce's industrial division, have indicated they concur in the belief a new hearing is unnecessary.

The Manistique Pulp and Paper company has not announced plans here for construction of a sulfite mill, and officials here declined to comment on whether or not the construction would be undertaken.

The 1954 proposal to the water resources commission called for a settling basin and extended outfall pipeline into Lake Michigan for disposal of the anticipated liquid wastes, whereas the present proposal calls for disbursement through the Manistique River.

The Commission's new order of determination is as follows:

ORDER OF DETERMINATION
WHEREAS, the Manistique Pulp and Paper Company, a Delaware Corporation, by its authorized representative, sets forth that the Manistique Pulp and Paper Company contemplates the construction and operation at Manistique, Michigan, of said neutral sulphite semi-chemical pulp mill having a capacity of one hundred (100) tons of air dry pulp per day and proposes to dispose of four million (4,000,000) gallons daily of wastes from the said mill by discharging same into the waterway of Manistique River, a short distance above its outlet into Lake Michigan, representing that said discharge will be in such a manner as to comply with the provisions of Section six (6) of Act 245, Public Acts of 1929, as amended by Act 117, Public Acts of 1949, being the Water Resources Act; and

WHEREAS, the said Section six of Act 245, as amended, defines unlawful pollution as the discharge into any of the lakes, rivers, streams, or other waters of this state any substance which is injurious to the public health or to the conducting of any industrial enterprise or other lawful occupation; or whereby any fish or migratory bird life or any wild animal or aquatic life may be destroyed or the growth or propagation thereof be prevented or injuriously affected or the value or lawful taken fish or game be destroyed or impaired as the consequence of said pollution; and

WHEREAS, the Commission having given due consideration to the matters involved in the proposed increased use of the waters of the state by the Manistique Pulp and Paper Company, including a review of its 1954 investigation of Manistique River and adjacent shoreline waters of Lake Michigan, the facts and circumstances brought out at the public hearing held by the Commission at Manistique on July 28, 1954, and the several statements and representations of the said company, is of the opinion and has determined that control of constituents in the waste discharge as hereinafter provided is necessary to prevent unlawful use of the said public waters;

NOW THEREFORE BE IT RESOLVED THAT it is the order of this Commission that Manistique Pulp and Paper Company, its agents and successors shall, in using Manistique River and Lake Michigan as receiving waters for disposal of wastes from any neutral sulphite semi-chemical pulp mill which it may operate in Manistique, Michigan, comply with Section six of said Water Resources Act, and in conformity thereto shall dispose of all processing wastes, including those resulting from wood preparation and cooking, pulp washing and bleaching, cooling or other mill operations, by such methods and with the aid of such facilities that:

1. Suspended and floating substances

NOTICE FOR PUBLICATION—PUBLIC SALE
UNITED STATES
DEPARTMENT OF THE INTERIOR
BUREAU OF LAND MANAGEMENT
Eastern States Land Office
Washington 25, D. C.
April 14, 1955

Under provisions of section 2435, R. S., as amended by section 14 of the act of June 28, 1934 (48 Stat. 1274; 43 U. S. C. 1171), and pursuant to the application of Douglas D. Stewart, Serial No. BLM 035757, there will be offered to the highest bidder but not less than \$50.00 for the tract, at a public sale to be held at 10:00 o'clock a. m., on the 6th day of June next, at this office, or following isolated tract of land:

T. 40 N., R. 23 W., Mich. M., Michigan, sec. 6, 7, 1 NW 1/4, containing 25.30 acres. A bid offer must be accompanied by the full amount of the bid for the isolated tract.

Bids may be made by the principal or his agent, either personally at the sale or by mail.

Bids sent by mail will be considered only if received at this office prior to the hour fixed for the sale. Bids must be in sealed envelopes accompanied by certified checks or post-office money orders made payable to the Bureau of Land Management for the amounts of the bids. The envelopes must be marked in the lower left-hand corner, "Public sale bid, Serial No. BLM 035757, Sale, 10:00 a. m., June 6, 1955."

The highest bidder will be required to pay immediately the amount thereof. Any adverse claimants of the above-described land should file their claims or objections on or before the time designated for sale.

Any contiguous owner claiming a preference right must assert such right within 30 days from the above sale date.

In This Corner

With Ray Crandall

Escanaba area keggers pulled down \$255 in prize money from the Wisconsin State Bowling tournament which ended recently. The doubles entry of Pat McPherson and Eddie Gravelle took home the top individual prize check of \$70. Don Scott had the biggest singles take of \$20 and Cole's Insurance got top team money of \$22.

Dick Rukkila, former high school star athlete, turned in a fine mound performance for Trenary in the opening game of the Bay de Noc league Sunday. Rukkila tossed a one-hitter and whiffed 17 batters as Trenary defeated Perkins 8-2.

Jim Rouman, coach of the Escanaba Eskymo baseball team, can't remember when one of his all-winning teams unlimbered such heavy artillery as they did in the third inning at Ishpeming the other day. Pat Coyne, Dave Viau and Bob Bero all slammed home runs in that inning—after two men were out. "That was one of the highlights of our long victory string," Rouman comments. The Eskymo coach was also pleased with the showing of his two relief pitchers, Ricky Erickson and Bill Ringuette, in the late innings of the game which the Eskymos won 9-4.

Hats off to the Escanaba Eskymo golf team that captured the Upper Peninsula Class B championship for the fourth straight year in the tourney here last Friday. The Eskymos keep right on dominating the U. P. golf scene, and they have lowered their team score each year while winning the crown. The 334 total Friday was their all-time team low score. And Tom Hogan's brilliant 18-hole total of 75 equals the best score ever fired in U. P. tourney competition. Ex-Eskymo ace Bill LeMire scored a 75 last season.

The U. P. track crown won by Stephenson here Saturday was the first in the history of the school in Class B competition. The Eagles capped an undefeated season in which they won seven straight meets, including the Great Lakes Conference affair. Back in 1941 the Eagles won the Class C Upper Peninsula title.

BOB CHRISKE

Third Base Coach Chriske Vital Cog In Esky Machine

Although he rarely has seen game action this season, junior reserve outfielder Bob Chriske is a very important cog in the machine that is the all-winning Escanaba High School baseball team.

When Coach Jim Rouman's Eskymos are at bat, Chriske roams the chalk-lined third base coaching box from where the important signals are flashed to batters and base-runners.

As traffic director at third base, Chriske has waved in 40 Eskymo runners this season as Escanaba has posted successive victories over Marquette (twice), Stephenson (twice), Ishpeming (twice) and Holy Name.

It is Chriske who relays Rouman's messages to the men at the plate and on the bags. And it is his judgment that determines whether a runner should try for an extra base or hold on a batted ball. Chriske is a keen student of the game and Rouman has complete confidence in his ability to direct the team from his coaching box.

In addition to his coaching duties, Chriske keeps up a running patter of encouragement to the batters and runners. He is constantly reminding players of the count on the batter, the number of outs and other information that has a vital bearing on the action.

Many times his split-second decisions from alongside third base have meant the difference between one run and two runs, or

Carter Placed On Unavailable List

BOSTON — Lightweight champion Jimmy Carter has been put on the unavailable list by National Boxing Assn. president Tony Petronella until he fulfills his contract for a postponed title fight with Wallace (Bud) Smith in Boston.

Carter's manager, Willie Ketchum, announced Monday that the champ had a sore throat and was so weakened by his ailment he wouldn't be able to go through with the scheduled June 15 rounder.

DAILY PRESS

16 Escanaba, May 25, 1935

Esky Team Seeks 43 In Finale Thursday With Gladstone '9'

The Escanaba High School baseball team, riding the crest of a fantastic 42-game victory string, will attempt to close out their fifth straight undefeated season in a home stand against the nearby Gladstone Braves at 4 Thursday at the City Diamond.

Coach Jim Rouman will be sending his charges out for their 43rd straight victory in a streak that began back in the 1950 season after an 8-2 loss to Iron Mountain.

Thus far this season the Eskymos have notched double wins over Stephenson, Marquette and Ishpeming and a single win over Holy Name to add to a 35-game skein entering the 1955 campaign.

The Escanaba and Gladstone teams did not meet last season, but in 1953 the Eskymos won two games from the Braves.

Slatted for mound duty for the Eskymos is Harlan Breitzman, one of the best of a great line of Escanaba pitchers who have left their marks in Esky baseball history.

Breitzman, a senior righthander, has hurled 13 of the 42 Eskymo victories. He tossed six of the seven Escanaba wins last season and has notched all seven this year.

The slender 150-pounder has hurled 45 innings this season in which he allowed only two runs. He gave up 17 hits, 10 walks and sent 55 batters down swinging. He opened the season with a no-hitter against Marquette, pitched three one-hitters and allowed only one safety in his four-inning stint at Ishpeming in the last Escanaba game.

Scheduled to start against the Braves will be Allen Erickson behind the plate, Jack Carlson

at first base, Pat Coyne at second, Jim Beck at shortstop, Hugh Ray at third, Bob Bero in left field, Dave Viau in center and Norm Seguin in right.

Seniors in the starting lineup who will be playing their final game for the Eskymos are Breitzman, Coyne, Beck, Ray and Seguin. Erickson is a sophomore and the others are juniors.

The Eskymos enjoyed their best day at the plate as they trimmed Ishpeming 9-4 Monday afternoon. They slugged out 14 hits, including homers by Bero, Coyne and Viau. Erickson and Seguin have also connected for four-baggers for the Eskymo nine this season.

In back of Breitzman on the Escanaba mound staff are a pair of junior left-handers, Ricky Erickson and Bill Ringuette, both

of whom saw brief service in the game at Ishpeming.

Coach Bob Richards' Braves lost their last start to Holy Name by a 7-0 margin but will be geared for an all-out effort against the Eskymos.

Either senior Norm Butler or sophomore Billy Adams will grace the Gladstone mound with Walter Houghton behind the plate. Others who will likely see starting action include Roger Carlson, Jere Anderson, Gerald Thorsen, Jerry Smith, Max Peterson and Larry Feldt.

The game at the City Diamond, final outing for both teams this season, is expected to draw a top attendance for the year. All of Escanaba's home games this season have been watched by large crowds.

BREITZMAN TO PITCH—Eskymo mound ace Harlan Breitzman will have a two-fold aim when he takes the hill Thursday afternoon against the Gladstone Braves. The slim righthander will be seeking to hurl the Eskymos to their 43rd straight victory and will be shooting for his 14th straight pitching decision in an Eskymo uniform. (Daily Press Photo)

Paler Gets Mound Nod In Tournament Opener

GAMES TODAY
Hermansville at Holy Name
Vulcan at Kingsford
Powers at Bark River

The Holy Name Crusaders open action in the first annual Upper Peninsula Invitational baseball tournament in a home game against the Hermansville Redskins.

Gary Paler, junior righthander, got the nod from Coach Tom St. Germain to toe the Crusader slab in the opener. On hand if needed are John Berrigan and Don Trotter.

Remainder of the Holy Name lineup will be composed of regulars at each position.

One game has already been played in the tournament. Gwinna faced Bishop Baraga 19-0 in a first round clash Monday. The Model Towners face Negaunee Thursday in a quarter-final contest.

Gwinna highlighted its win with a 10-run seventh inning. Paul Cazzaniga and Sonny Maunala led the Model Towners with three hits each in a 14-hit attack off four Baraga hurlers.

Barry Mussato scattered six hits from the Gwinna mound. Other opening round games slated today send Vulcan to

Pro football Faces Anti-Trust Suit

PHILADELPHIA — Attorneys for the National Football League, citing the U. S. Supreme Court ruling that baseball is a sport and not interstate commerce, have asked the U. S. District Court to throw out a \$2,100,000 anti-trust suit against the league and nine of its clubs.

The suit was brought by the bankrupt Liberty Broadcasting System, Inc., which charged the league and the nine teams conspired to prevent it from broadcasting certain games, an action which allegedly led Liberty into bankruptcy. Judge Alan K. Grim will hear oral arguments on the case June 3.

Marion Is Sure Pierce Sound

CLEVELAND — Manager Marty Marion of the Chicago White Sox is sure of one thing today — Billy Pierce is still one of the best left-handers in the American League.

Pierce, tumbling to a 9-10 record last year after a great 18-12 season in 1953, tossed a brilliant three-hitter at the Cleveland Indians Tuesday night for a 4-1 triumph. The victory pulled the White Sox within one and one-half games of the league-leading New York Yankees and one-half game within the second place Indians.

It was Pierce's second straight remarkable performance. Last week he lost a 1-0 heartbreaker to the Yankees when the New Yorkers scored the only run of the game without benefit of a hit.

Why the sudden turnaround in Pierce's performance after a shaky start early in the season? Marion thinks he has the answer. "I've found that for him (Pierce) to be a real good pitcher, he has to have five days rest instead of the four 1-1 days the others."

Pierce's triumph Tuesday night put him over the 500 mark in the majors with an 82-81 record and gave him a 3-2 record for the year. In 40 1-3 innings this season, Pierce allowed 36 hits and 11 earned runs while striking out 34.

So far only rookie Dick Donovan, Veteran Sandy Consuegra and Pierce have shown any consistency. Virgil Trucks has a 3-4 record this season, Jack Harshman 2-2, and Bob Keegan, with no victories, has had trouble lasting more than an inning or two. Last season they won 19, 16 and 16 games, respectively.

U. P. GOLF CHAMPS—The Gladstone Braves recently surprised Upper Peninsula high school golf circles by capturing the U. P. Class C tournament championship at the Escanaba Golf Club. Coach Eldon Keil's golfers edged Bishop

Baraga of Marquette, defending championship and tilted the past five seasons, by one stroke for the C-D-E championship. Pictured, left to right: Keil, Gerald Moore, Jim Bratonia, Jim Sundelius and Norm Butler. (Daily Press Photo)

Expect Over 100 Athletes At Escanaba Recognition Dinner

The first annual Eskymo Fan Club athletic recognition dinner will be held at 6 this evening at the Senior High School gymnasium.

The dinner, first project of the newly organized fan club, will honor all senior high athletes and cheerleaders. Sports that will be represented by varsity and junior varsity athletes are football, basketball, baseball, track, tennis and golf.

Lawrence Erickson, president of the sponsoring organization, will open the program with a brief talk on the purposes of the Eskymo Fan Club and will de-

scribe some of its aims and objectives. The Club was formed this spring in an effort to lend adult support to the Escanaba Senior High athletic program.

Other officers of the Fan Club are Leonard Olson, vice president; Mrs. Elmer Krause, secretary-treasurer.

Karl Dickson is program chairman for tonight's dinner. Mayor Harlan Yelland will serve as toastmaster. Speakers include Atty. Robert LeMire, Kenneth L. Gunderman and Carl Nordberg, former Eskymo coach, if he is available.

Included in the program will

be introduction of high school coaches and athletes. Group singing will be led by Leonard Olson.

Expected to attend are over 100 athletes and cheerleaders. An additional 200 parents and fans are anticipated by Fan Club officers. School officials and businessmen have assisted in preparation of the dinner.

Eskymo-stickers, on sale at Gust Aspi's and from club members, will admit two adults to the get-together recognition dinner.

THE TIRE SPECIALISTS

We don't sell television, lawn mowers or nails.
We don't sell pianos, shot guns or pails.
We don't sell bicycles, tricycles or toys.
We just sell TIRES... that's enough for us boys.

We don't sell refrigerators, davenports or chairs.
We don't sell freezers or make radio repairs.
We don't sell fishin' poles, chicken wire and stuff.
We just sell TIRES and we think that's enough.

We don't see how anyone can be so smart.
As to know all the answers to every modern art.
So we don't claim to know so bloom'n' much.
We just know TIRES, TREADING and such.

When you need a doctor, to a doctor you go.
You don't get a plumber to fix a broken toe.
So when your TIRES are ailin' or gettin' kinda' thin.
Call the TIRE SPECIALISTS—that's the business we're in.

DON'T BE FOOLED by such deals as: Free tubes, 2 for 1, 4 for 3, so much for the second tire, etc. Find out exactly how much you have to pay. We have tire specials 365 days of the year—not just for holidays. We handle only the famous line of quality U. S. ROYAL TIRES, never any so called "off brand" tires of any kind. Nineteen years of tire experience assures you of the right kind of service. See "Yutch" at the
